

(After Pinkenberry)

Tracey: "uh, Pokemon Master&Universal Water Empress,Welcome Back..

Ash(laugh) : "sweet sweet Trace(all brusts into laughter)..did i ever leave(all laughs).."

Misty(laugh) : "why is it so Trace,that your always the first to meet us?(all brusts into laughter)

Tracey (laugh) : "my bad luck(all brusts into laughter)..anyhow how was the Suicune?"

Misty(hugging Ash,smile) :

"heaven..but(laugh)..she didn't stay

long(laugh)..we had Gengar(all brusts into laughter).."

Ash(smile) : "how's work going Trace,your parents,Professor,Brock and finally Our Viol Flower(all laugh) how about it?

Tracy(smile) : "just fine,just fine.. Cerulian needs you more though(all laugh)..ok come in, Gary's out,Lillie too for inspection..Dase went to Cerulian (all laughs)..Brock will come next month permanently,Violet well you know(all laugh),first

says absolutely not(all laugh),then just totally dissolved.."

Misty(smile) : "how are all, really you know Ash just never allowed me to phone(all laugh)..said that any news,the Orange Elite4 itself will run after us to tell(all laugh).."

Ash(laugh) : "well,mobile would've strained my flower's ears(all laughs).."

Tracey : "no just Orange Elite4 told about Suicune..are they coming to meet our once only in all eternity being duo(all laugh)"

Ash(laugh) : "actually she came to meet my Dark duo(all brusts into laughter)..Noivern just about started to ask about her age related issues(all brusts into laughter),just scoffes off to which he later tells us,that girl,too frivolous(all brusts into laughter)..chu-bro wasn't too happy that she didn't battle(all laugh),Azumarill was very happy.."

Misty(laugh) : "happy to get away from Gengar(all laugh)..and Gengar just as usual licked Suicune to death(all brusts into laughter)..Gengar was with us

out of the Pokeball all time you know why(all laughs)..he's just Feraligator and Crawdaunt combined(all laughs)...but Ash will leave him here now(all brusts into laughter)..though then he finally decided to take Gengar with him..and he enjoyed more than us much to my poor Azu's suffering (all laugh)..and Chu-bro was all over her with the art of battling (all laugh)..those 3 were always together at first then none cared to battle so chu-bro got sentimental (all brusts into laughter) and(laugh)..Azu thought ,she and Gyarados could have some peace in the sea,only for our Tickle Master to suddenly appear just as they dived underwater (all laughs)..Ganger teased both my poor girls,that he can simultaneously beat both even on open sea and it was just a trick to take them away from the island and then scare them to death by creating hallucinations all over(laugh,Ash Laughs)..but finally the pest thought that might be too much and said ok,if they can swim in dark night(all

laugh) with him,he'll admit defeat himself,which Azu mouthed off saying that's a trick,and Gyarados finally told him that, you're not allowed at home(all brusts into laughter),to which the pester master said then he'll himself steal my balls and take them to water in dark night (all laugh)..then finally just licked the hell out of them(all laugh)..that made my girls realized what a brat this meance is(all laugh) and was always happy together since..really Trace this dark brat with our other gems is going to make life unliveable(all brusts into laughter) for all..chu-bro didn't mingle much with them later as his art wasn't appreciated (all laugh)..but the Talonflame and Charizard had some good time but they weren't much out..Charizard and Tickel Master has become instant enemies (all laugh) as Charizard was doing his mood and show off which tickle master didn't like and peatered him and Charizard then said dark night is nothing as he had the tail-flame the In the dark pest got upset

and was trying to make my poor Azu water gun it(all laugh)..that was stopped by others..

Talonflame is Noivern's ardent student(all laugh)..so she settled many fights.. Gerninja was out very few times and the first thing she does is to take me to deep ocean and she just had fun with me and Gyarados and Gyarados is under her wing now(all laugh)..she's the most sane among the dark gang(all laugh)..just wants to have fun all the time like hangout(all smile)..."

Ash(laugh) : "yeah,I went in deep ocean with my Tickle master..Mist and me went there separately..and he showed some of his tricks and had fun..i though told him that i'm ground type(all laugh)..so i'll be in grave danger if he did something severe,but he just showed me a few of his methods and all..this pest really has Masterd the dark night,constant underwater version(all brusts into laughter)..and that he showed me with very little severity..Suicune came then,all they met,she played around a bit,went to Mist to have a

good look at the Water Empress and finally to me, though she didn't like me cause i had Ganger(all bursts into laughter)..just about 20/25 minutes and off..amusing Pokémon..really they should never be caught or be mingled with.. just so many moods and very intelligent i got..far better than my fearow (all bursts into laughter)."

(in the Afternoon)

Ash(laugh) : "well,finally Cerulian then,Mist(both bursts into laughter)..i want my badge(both laughs)...

Misty(laugh) : "i choose Misty Ketchum(both bursts into laughter).."

.....(inside gym)...

Misty : "no Dase went back just as we started,she just came here and was at () all the time,just a day's fun..but (smile, hugging Ash's neck)Ash, wanna fight(both smiles).."

Ash(smile, hugging Misty) : "full lunacy(both smile),well i'll have to settle many things here and we both have to see the renovation and all

that,your room first i want to absoluty modify and then(both laugh)...yeah just make it topsy turvy and the platforms higher (both laugh)..so that the mob gets scared to death(both laugh)..really sweety,again here after 4 years being together..sweet feeling"

Misty(smile) : "i want my formalities(both smile), you're not changing that right?"

Ash(smile) : "i only told them that i'll renovate our the room according to my plans rest yours but, actually its all my sweety's(Misty giggles)..just showed them the hardman attitude (both laugh)..and um.."

Misty(smirk) : "hum,Ash Ketchum,finally total lunacy has reached physical level(both laughs).. (smile) i want to fondle my sweety all the time(both smile).."

...(night)...

Misty(smile, hugging Ash) : "just this moment in my room,Ah!can we close the gym forever now? (both laugh).."

Ash(hugging Misty,laugh) : "Mist,it would've been very serious had we been in your room adoring each other at 15(both burst into laughter)..but(both laugh)..the break-in was a great moment(both smile).."

Misty(smile) : "yeah..um,Ash, really you should've just abducted me to Pinkenberry,and i would never have come back just with you all the time.."

Ash(laugh) : "so,finally i've deceitfully(Misty laughs) shut this damn gym down(both smile)... it'll take me some time to adjust to Gym life(both laugh)..but no,all your reports,just leave those craps..Articles if about pokemons or other technicalities you,rest me..my sweetie would beam(Misty giggles) all time,and after the renovation anything except pokemons all mine,my Mist would just gleefully play around with her Pokemons but unfortunately (both laugh)..some damn Brats will disturb her(both laugh)..

Misty(smile) : "Ash,i just want you especially while inside the gym..all time..but really(laugh,Ash

laughs as well),no,I want to revive the show for atleast one year,then i'll formally retire from it,then as we decide.."

Ash(smile) : "yeah,but dear, don't rush ok,you need to recover well first thing.."

Misty(smile) : "Pinkenberry has done 90%(both giggle),the rest work...don't worry dear,i've hardly felt any better ever and it's ok Ash,you know,every day after show so much pestering all the time..but now i can just be myself all the time.."

Ash(laugh) : "yeah,they probably have courted you for 11 years without any hope(both laugh)..this will be fun to me that i get all your shows and all(both brusts into laughter) the beloved vultures(both laugh again)..but all my bunch is yours to choose from but i must have my dark gang with me minus Gerninja,she's all yours.."

Misty(laugh) : "and chu-bro already has dumped you(both brusts into laughter)..i would use Snorlax(both brusts into laughter)..that huge teddy bear is just dream..and Ash,with your tickle master

around(both laughs),we won't need any other securities..and yeah,we need him and Nivy,it'll be a huge compound itself and indoor which is obvious (both laugh)..but also those two should be here sometimes..my bunch would love it..though very brief visits(both laughs)..Ash,but they'll pester you much with Official things.. though i realize that's your goal now with the fun(both laugh)..but i want to visit all those in Kalos and Unova..well Unova Cilan will be overjoyed (both laugh)..and Kalos well(both bursts into laughter)..but i've never been to Kalos once..Sinnoh quite a few times,Unova very little but and Gerninja alone was pestering me all the time about Kalos(both laugh).. sometimes.."

Ash(smile) : "sure,Kalos is where i've become what i've become(both smile).. it's more of an intellectual region,but really you know nothing better than Kanto..so much variety..and all mostly here's my sweetie(Misty giggles).."

Misty(laugh) : "but sadly in Cerulian City(both bursts into laughter).."

Ash(smile) : "really Mist,i'm only all too excited,you plan i work, that's all..my job is just inspection and(both laugh) trash talking..i just want to spend the rest of my life gazing at you,my soulmate,myself,I,my sweet Mist(both hug each other firmly and smile at each other and keep hugging for a long time).. it's just fun and games and we're having many great staffs so yeah it's very exciting really at Pallet and here both and virtually now that Viridian Forest is also there and all,i really feel good cause i just wanted to have my freedom and for you as well,we'll get that very much now.. what's Violet's position(both laugh)?.."

Misty(smile) : "no, she's fine and herself wanted to come after the first upheavals.. she's getting tired as well but Brock being there finally it just completes the cycle(both smile)...mom said that she will appear suddenly(both bursts into laughter)..no,i guess gym life won't ever suit her really can't stay with all that goes around..and our ceremony too..but(both laugh)..when is the formal

Cerulian Announcement..

Ash(laugh) : "that's a secret cause it'll be on international TV(both laugh)..and i'll roast everyone.."

(3 days later,Misty back at Pallet and in Lab,Ash has some works in Pewter)...

Daisy(brusts into laughter) : "that TV show Mist(all laughs)..just unforgettable.

finally someone answers all those years of pestering (all laugh) that too internationally.."

Lillie(laugh) : " 'how did you come to know each other,well certainly not the pre and post battle formalities' (all Brusts into laughter) and then my favourite bit, 'so,will the show revive',of course,the trials final () is on ()' (all Brusts into laughter),and then shows a fake document of his participation (all Laughs) to create even more frustration..(all Brusts into laughter).. really Mist,once only beau(all Brusts into laughter)"

Misty(laughing) : "and he wants to change every corner except..um

.(blush,others smirk).."

Daisy(smirk) : "hum..everyday now?..(Misty blushes and hugs Lillie,others smirk)

Lillie(smile) : "and also here Mist,Gary i've hardly seen him any happier,all of us..i guess he just missed being away for 4 years and really is doing everything he can to compensate for that.."

Daisy(smile) : "yeah,Trace said this work and staffs it's just going to give him so much time to just be among Pokemons and all..i'm getting all my things too..and all the staffs are really excellent..and finally Kanto Elite4 is all over us now(all laugh).."

Misty(smile) : "yeah,and i myself has got so many things and he has told me all that he could..oh and finally(laugh)..see he has even laughed off a scar like the sludges off(all smile)..as usual on a dark night cut off electricity (all laugh) and suddenly appeared after TV announcement (all bursts into laughter)..then basically sludges said they were with their mates and all,and basically they never

knew about me either much but Ash just told me that he was rather stern and said not to mingle at all but also encouraged sludges on that they're doing now and their mates and all..sludges has been made absolute pets if they weren't enough before(all smile)..and all..(laugh).. basically he has threatened the. whole City not to pester at all as he said 'so As you see,i've been to Safforn's famous forest many times at night yo learn about ghost types(all burst into laughter),but now I just want absolute and everpresent peace and quite inside and outside of the Gym(both burst into laughter'(all laugh)...and finally his bunch(all bursts into laughter)...but with all that he has learnt,still just doesn't understand what the gym leader actually does(all laughs)..and it was more so because in Kalos and almost all of Unova,he just told them to go full force and just laughed them off but also got dissapointed cause a gym leader almost never gets to show that,so that burden now falls upon me(all laugh)..a poor kid

comes and Gyarados full force(all bursts into laughter)..well now telling that to Foster(all laugh).. Pewter's getting so so many things and you know Foster being the ever sweet kid,asks me is it for real(all bursts into laughter).."

Lillie(laugh) : "well he has spoilt my beau too(all bursts into laughter).. suddenly went out with Blastoise and says hasn't trained in ages and battles for long..told me he's competing in the competition (all laugh)..well we all know where that'll end up(all laughs)..and Grandpa is also very happy cause he gets so much comfort now and all he will do is to share his knowledge,Gary also says almost all burden will go off his shoulders and all..but the biggest news is Crawdauntogator has finally agreed to visit Professor Kukui for one full week(all bursts into laughter,clap)..2 months later(all laughs uncontrollably)..i'm so happy(all laughs)..but you know Sinnoh is going to be in grave danger(all bursts into laughter)..Ash just doesn't want at present that the Tickle Master and

those two brats would be together for long(all laughs)..but Grandpa's trouble is that with his much lessened burden,Muk gets to fondle him all the time(all bursts into laughter).."

Daisy(laugh) : "well i also trained my Dewgong and Starew as well(all laugh)..but no way i'm battling..and Trace suddenly has got too excited too about battling,says he's going all out with only Syther(all laughs)..Mrs Ketchum,i've never seen her happier,always with Cassey and and all those..the whole Sinnoh Elite4 is Master's absolute pets(all laughs)..no really Trevor the head there was telling us about how dangerous the Undercover was especially Ash being the main battler.. they'll be eternally grateful really(all smile).."

Misty(smile) : "yeah,he told me what he used to do there and and also Charizarded me to Lance(all bursts into laughter)..in his obviously illegal time scale (all laugh)..Kanto Elite4 strangely never was in terms with Ash,all rest are big fans..Lance was

in much trouble but now absolutely fine..Lance jovially showed me the picture that the master cried before for 30 minutes or so(laugh,rest laughs)..and the master has bought it now of course (all burst into laughter)..yeah that special gym one..and finally our rocket-sweet-duo(all laughs).."

Daisy(laughs) : "that's why he actually took you there(all laughs)"

Misty(laugh) : "yeah,very brief but of course,those guys after 10 years,they congratulated us and reminded us that they're still after Pika-bro(all laugh)..and just had a brief joke..finally Mewoth said like 'hows the bugging goin'(all laugh),to which we said bugs can't talk(all laughs)..it was fun..Ash virtually insinuated(all bursts into laughter) them to their new life..it was good..and so many things he told me and all..(laugh)..i'll just need ages to come into terms with all he says.."
Lillie(smirk) : "so how's the young flower dream going(all bursts into laughter)"

Misty(laugh) : "only married couples(all bursts into laughter).. only if they have children(all laughs uncontrollably),with upto 8 year old children(all laughs again)...no he's just my biggest ever pet now(blush,all smirk and then all laugh)i can do whatever I want but i'll really you know have to get our Viol Flower first(all laughs)..what's her reaction to the list?"

Daisy(smile) : "no just overjoyed and overwhelmed and total pet(all laugh)..Brock was also so happy to finally come here and can do things on his own terms,the legal procedures have started well,but so many great people has come up,its just about keeping your head right that's all..finally though Mist,your pet has packed up all the flowers together(all laughs uncontrollably)"

.....

Brock&Ash(Viridian Forest)

Brock(laugh) : "the only place never together travelled,how about a date?(both laughs)"

Ash(frown,laugh) : "Sweet sweet Brock,what

means never?(both brusts into laughter).."

.....(finally in the Gym)...

(1st Challenger,9:23)

Ash(scoff) : "stupid brats..(Misty laughs)"

Misty(laugh) : "Ash,please don't come anywhere near during battle(both laugh),it'll be impossible then(both laugh).."

Ash(frown,scowl,laugh,tendering Misty's cheeks,whinning) : "no,my sweet flower should always be sweetly tendered(smile,Misty laughs).. (scoff) keep that dumb bufoon waiting the whole day(Misty laughs uncontrollably)..(smile)...

besides i've secret plan to gaze at your scowls while battling (giggles,Misty smirks and pats Ash's cheeks,then both firmly hug and laugh)"

Misty(laugh) : "anyway,let me get ready(both laugh and smile).."

Ash(laugh) : "to come to my arms(hugging Misty and picking her up,both laugh)"

(after Battle)

Misty(laughing loud) : " 'Sandshrew i choose

you(bursts into laughter)"

Ash(scoff) : "those dumb buffoons(Misty bursts into laughter,Ash also laughs loudly a bit later,the two hugs each other firmly).."

.....

(later,Misty is in show business for a moment and all)

.....

Ash(frown) : "f..brats"

Tracey (laugh) : "man,you haven't changed a bit in 8 months, swearing anywhere (all laugh)..just enjoy it.. you're doing the trials with Misty and you know all about her..just move on..."

Ash(whinnying) : "i told her not to rush..."

(smile),besides the future already here in form of Gilbert,cant call you a buffoon for long can I

Trace(all burst into laughter) ...(frown)..those Cerulean n...(all burst into laughter)"

Daisy(laugh) : "Ash, they'll just go nuts if they see you there, you're already a Sensational Brother there as well..in law(Tracy and Daisy bursts into

laughter)"

Ash(whinnying) : "But,Daisy it's just.. Trace still doesn't have a clue on what to be done in 15 years(both laugh)..and why me?.."

Daisy(smile) : "there's a reason,just go on,Mist will herself do the rest,she can't do it without you this special term..and you'll always have to do it from here on(Daisy and Tracey bursts into laughter,Ash sighs and shakes his head)"

Ash(frown) : "fine but.."

(Violet enters laughing)

Violet(bursts into laughter) : "Pokemon Master Bro(all laugh),now you will never say no,you will not want to throw,what chance you have just don't let it blow(all clap)..(all burst into laughter,Ash sighs)..."

Ash(grim) : "um..Mantyke presented(all burst into laughter)..but what is.."

(Violet whispering to Daisy,she bursts into laughter)...come on,what is it..?

Daisy(laughing) : "Ok,you sit here,let me tell

Trace,we will be spectators..."

Ash(grim) : "modelbro(all brusts into laughter).."

(Daisy tells Tracey,he brusts into laughter all the rest laughs)..

Ash(frown) : "Trace you should be focused on Syther's blade..(all laughs)...and Marill's tail(all brust into laughter)..."

Tracey(laughing) : "all right all right,let me start.. (all laughs).. here's scene 1->

Misty will depict her life and her longing for her beau(all laughs)"

Ash(frown) : "what was that Trace(all brusts into laughter)?"

Tracy (laughs) : "um..i mean..(all laughs)"

Ash(smiles,closed eyes,all laughs) : "i see,sweet sweet Cunning Boy(all brust into laughter)..might i make an implication (all brust into laughter)...lets honour Violet with an insignificant trial at a fractional SCENE(all brust into laughter).."

Violet(laugh) : "my pleasure"

Ash(same pose) : "so Trace,imagine any goddamn

island in Orange(all laughs)..where Suicunes are abundant (all laughs)..but now some Metwtwo's come in and they're too much fond,too much tickled,too much INGRAINED to be Suicunes(all burst into laughter)..so they thus find soulmates(all claps)...sketch with me upto this Trace(all laughs)...now,and this is my favourite shading scheme, Trace(all laughs)...look at the eastern sky.. Trace...who are they..Trace..who are they...they're coming Trace, they're coming(all burst into laughter)...the half grown swelled up namecalled Fearows (all laughs uncontrollably)... Trace i can feel their joy on the prey..Oh!the victory!Oh! they hunger!oh the delicate food(all bursts into laughter)... they'll say Trace(opens eyes)...in the gym what would they say?"

Tracy (laughing) : "it's way way bigger,you have to go back to THE BEGINNING(all laugh,Ash frowns,all laugh even more)"

Ash(frown) : "the godforsaken buffoons(all laughs),the 4..(beams and jumps off,all claps and

laughe)...Thanks Violet,many thanks and even more for news...(all brusts into laughter)...that i'm so happy Trace,they've just unplugged the fuse(all brusts into laughter)

Thanks Daisy,thank again cause all my rues(all laughs uncontrollably),

gone are now as the dawn,will pay dues(all laughs uncontrollably,clap)

...but are they especially invited though(all laughs)?

Violet(laughing) : "that's on Gengar(all laughs uncontrollably).."

Ash(smile,closed eyes) : "Trace this is music to my ears...those, exactly those, absoluty those...(all laughs)..13 years in making...13 years.. Cerulian (all laugh)

Cerulian.. Cerulian.. Cerulian..(all laughs uncontrollably)... i'm starved for 13 years(all laugh)... Trace,thank you..but

please,Trace,please,Trace,please,Trace,I beg of you(all brust into laughter)...call as many people

as possible,make it on open ocean(all
laughes)...i'll select them minutely picking up, I'll
throw them into the water, Feraligator,
Crawdaunt,Golduck and Ganger...(all laughes
uncontrollably)..and their other soulmates millions
in number(all laughes uncontrollably),one by one
they would FEEL the danger(all laugh), sleep-bed
too worn-out ,sea-bed so for a changer(all laughes
uncontrollably) ...Trace,please Trace,make it open
ocean,Trace,Trace,Trace(all laughes
uncontrollably)...those the very very 1st that told
my sweet little flower that she's not good enough
to be a gym leader then pestered her and finally
and most brutally, hindered my flower to come
back to me...Back TO Me,
To Me,To Me,To Me(all laugh)...and be in Cerulian.
Cerulean... Cerulian...Cerulean(all
laugh)...Butch&Frank,Dolores,Georgio...(chews,all
laughes uncontrollably)...Trace,i'll see them,i'll see
them,Trace(all laugh)...they won't remember
anything after they're fed to those 4 underwater

(all bursts into laughter)...i'll then precisely show them,what Pokemon mastery means(all laughs)...the semi Grown unobserved fearows (all burst into laughter laugh)...i'll devour them...Trace this is the best day...when i'll professionally eat the Vultures one by one and the brats have to enjoy it(all laugh)...else..else..(all laughs)... they'll be forced to spend the night at the great Safforn Jungle (all laughs),where may God grant them sorrow(all laugh uncontrollably),cause they'll get fondled(all laughs uncontrollably),may they please get some rest now cause insomnia would be mingled (all burst into laughter)/if they don't die to devils, surely they'll be angeled (all claps and uncontrollably laughs)....or central battlefield underwater with Goldarkened Crawdauntogator (all bursts into laughter)...the're time is UP(all Laughs uncontrollably)...so,i guess that's why me,fine i'll do my best(all clap and else)....i'll do my best again and again to give them poke-master(all clap)/i'll marry my wife again and again Misty,the

Sensational Sister(all clap)/i'll go to the press
again and again professing great pester(all burst
into laughter,all clap and cheer)/but if these all
don't make them happy,they'll get the swerved
sinister (all laughs uncontrollably,cheer,clap,etc)

.....

On the day of the show....

Cilan&Jane,present else TV(1st show)

all else before the final show...

Ash(hugging Misty very firmly, smiling at her) :

"just be careful dear..i'll see you..(whisper)..hey
namecall,like to dance(both burst into laughter,and
hug each other giggling)"

Misty(few moments later,hugging Ash very firmly,
smiling at him) : "soully(both beams)"

.....

(almost everyone crying,this is just before the final
introduction of Ash)

Misty(crying herself,singing,this is last as she
introduces after her till life to this moment):...What

makes me Misty all and all/In my soul and my
all/is that,I'm my Ash forever/again and
again(ends her song)...(all crying and then
suspense as Ash hasn't replied or appeared with
full view)

(Ash finally appears in front of Misty)

Ash(solemn,firm grave voice) : "ever-present,ever
here i'm what i'm/my name you said Ash Ketchum
but i'm what i'm/hindered by body-mind never am i
ever the whole/i've got nothing to say,nothing can
describe my soul/i've got nothing to do, nothing to
be,nothing to rue/i know who what i'm,forever free,
that's all ture/the only way to realize me,is whom
you call Misty/I'm that,I'm that,just take a look I'm
Misty"

(all brusts into tears, claps,etc)

(Ash&Misty,duet,facing the Audience, holding
hand in hand)

Ash : "not the body"

Misty : "neither the mind"

Ash : "not even the soul"

Misty : "just can't be defined"

Ash : "that you're just me"

Misty : "there's me as thee"

Ash : "we're one forever"

Misty : "nothing else never"

Ash : "here's what we are"

Misty : "you and me together"

Ash(finally hugging Misty very firmly and looking into her eyes,smile) : "one seeming as two"

Misty(finally hugging Ash very firmly and looking into his eyes,shivering voice,tears,smile) : "me seeing me as you"

(then Ash smiles and wipes Misty's tears off to the huge cheer with a whisper,Misty beams at Ash and then they hold their hands together,quickly hugging each other and shows the joint fist towards the crowd looking at them with a smile)

(the whole place bursts into claps,tears,cheers,etc)

(show ends..)

.....

after Show(later restroom)

Ash(laugh) : "so you see Mist,we've always been evsdropped in our personal moments but now it's international(both brust into laughter) and of course that damn song(brust into laughter)

Misty(laughing) : "you know Ash,if just after you namecalled them(both laughs uncontrollably)..that would've been the most brutal.."

Ash(laugh) : "i did(both brusts into laughter)..just they cut the sound out(both laugh)..Viol knows me too well(both laughs)..but sweetie(hugging Misty very firmly)...still crying for 'my Ash' hum?...(smiles at Misty and hugs her very firmly)

Misty(smile, very firmly hugging Ash) : "really Ash,this is my best moment in the profesaional life...with my Ash,ever my Ash."

Ash(smile, hugging Misty) : "the name was it,soulmate.."

(both hug each other firmly and smile at each other looking into each other's eyes)

.....

(Brock Comes)

Brock(smile) : "um,i beg thy mercy Master and Empress.."

(Misty bursts into laughter)

Ash(sigh,frown,loud) : "master says,ya dumb buffoon...(all burst into laughter...(loudly,frown) sweet sweet Brocko(all laugh),why has it occurred to you that what went out there is a bit too sweet,bit too emotional,bit too delicate,bit too.."

(Misty laughs uncontrollably,Brock shakes his head and laughs)

Brock(laugh) : "Ash,you fought me for your 1st ever badge 19 years back,it's just impossible to believe man what you're doing now,just that you and your soulmate has created an international sensation...i'm speechless..."

Misty(smile,hugging Ash very firmly) : "thanks Brock,just came off from me... remember that

right"

Brock(smile) : "perfectly,i only wished you two realized it the first day itself,many Vultures would've had it a bit easier then(all laugh),but Ash, surely how did you pull that off man?"

Ash(tendering Misty's head and hugging her,Misty keep hugging Ash very firmly resting her head on Ash's chest,Ash frowns) : "that's for later Brock and Gengar to assist(all laugh),that's for much later,first tell me about the Improvisation (all laugh and smile)?"

Brock(smile) : "that's what they're going to talk about most the show was real...Misty is as ever,ever emotional around you and Viol said, difficult for her not to see her Ash through eyes(all smile,Misty smiles and keeps hugging Ash)...and still the same...(Misty blushes and hides her face,all laughs)"

Ash(smile, tendering Misty's head) : "thus the improvisation,and timing i guess(all smile) ,but Brock you've ever taught me timing cause

according to your 19 years the timing is that,19
long long years back,
my first badge but ever lucky to get off Onix
alive/but Brock what you've done to him,Foster
has to bribe(all laugh)/if you never
existed,Brock,whole life would've all but to strive
/but I'll ever say Brock,that day you were naïve(all
burst into laughter)"

Brock(laughing) : "i guess dad was, should've said
only married couples allowed(all laugh).."

Ash(laugh) : "through emotions(both laugh),is
Violet still sane(all laugh)"

Brock(laughing) : "needs a week..(all burst into
laughter)

Ash(laugh,tenders Misty's head,Misty hugging Ash
very firmly with her head on Ash's chest) : "but 18
years ago Brock,what would've happened to me if
me and my wife we're accidentally caught in same
pose as we're now(all laughs)

Brock(laugh) : "compromising stuff(both burst
into laughter)...you would've been traumatized(all

laugh),never striving again(all laugh).."

Ash(laugh) : "now Brock is how i did it and the answer is,and for 19 years later is by virtue of perfectly balanced insinuation (all burst into laughter)...i just roamed around and last part was rather easy with my trash talk self(all laugh)...Mist was Mist and this being her last which if goes out of here you're returning to your hellrounds again(all burst into laughter),it'll be long remembered..and surely you can't do any better unless with a full future grand reunion (all smiles)...but never going to announce that it's her last which was her sweet intentions(both laugh)but i told,just float the news so that the buffoons buy it(both laugh) and keep the goons hanging around 100 years(both laugh) to actually come to know it(all laugh)....and still you know,ever so emotional around me,so i thought rather would receive a smack(all laugh), received salty bit(both laugh),too Mistyviously cute(all smile)..um..no,no it's not what you're thinking

(both laugh)..she's only my other half not better(both laugh)...but the real fun i never got Brock is what Mist was saying a few minutes ago which i wish Violet allowed me,just that fist and just before going off 'ya dumb buffoons'(both burst into laughter)..atleast Cili would've loved it(both burst into laughter)..really Brock would you've minded it as we just showed words mean nothing(both laugh)"

Brock(smile) : "well your grandchildren are going to ,all days and sis,they're already(both smile,Misty smiles at Brock who reciprocates with a nod and a broad smile,Ash tenders Misty's cheeks and hair)"

Ash(laugh) : "well,atleast none is selling badges(both laughs)..but still,if the dumb buffoons have any brains then this'll be very long remembered and Violet's endeavours will be smoothly going on here,cause even then she'll try to get Mantykally involved(both laugh,Brock shakes his head),but just too much have happened in the last 15 months which still wasn't

covered as since Gerninja's Kalos Wisdom finally bestowed me eyes i could sail through somehow though the only thing is that the current available future is yet to express in clear terms how are they disinsinuating things(both brusts into laughter) but well many would be happy who knows the 14 months and this will be for them as well but yes this ultimately is hopefully the end thus giving all you a long deserved good rest(smile),and of course you all are getting that now, Trevor is the loyalest pet(both brust into laughter)/then there is Percy Kalos,enemy regions to re-gell(all laugh)/this all is only because Muk beaved a fearow to hell(both brust into laughter,Brock claps,even more laughter)/then there is Unova here,always ever would be too ready/cause the all caring Bayleaf said legends why so greedy/ (all smile and Misty has little tears in her eyes,hugging Ash very tightly,rests her head in Ash's chest)/Orange,Orange,sweet a name,Telplocus can't be a puppy/but being totally

Golduckened,Mistyly became so happy(both smile)/this suddenly got the a few to become a bit angry/Pikachupi has only once whined mom i'm not hungry(both smile,Misty crying in joy, hugging Ash very firmly,Ash continues to tender her head)/then there's venerable Lance(both smile) and Simon ever at door/only because it is where i found me lure(both smile,Misty smiles,tears still and hides her face, hugging Ash very firmly,Ash pats her)/then a few at Hoenn tried to make me defamed/only for them to find my sis(both laugh) and get torchiked(both laugh) to end(both laugh)/but the biggest thing to ever happen is what Chu told me personally/he said no,no pokemon wants to battle actually(both broad smile)...well i only recently came to know what the Torchik did there(both laugh)...my Torchik bearer in crime at Hoenn doesn't even want to know that this is a legal thing(both laugh) and thus the defectors flies off to all hells because if she gets inside the court after knowing all details then(both

laugh) then whole world will get divorced from their beaus cause their proposals were all wrong(both burst into laughter)...Drew told later that i just sweetly told them to sit(laugh) and went in and May is now ferocious in her maternal leave and doesn't want the word Pokemon to be heard(both laugh)..and that's exactly why Drew was threatened to take equal amount of leave(both burst into laughter) without compensation by both means(both burst into laughter)..and those started with saying that you know Ketchum's Pokemons well(both laugh) and so on she instantly gets to hells saying that it was 10 years ago,why are they disturbing her,after parting she won 3 consecutive main conferences which they can check the validity of for themselves and then says was fed up with the system (both laughs) if they're trying to say why she suddenly pulled off from doing those then they might've never known what a happy personal relationship is and to maintain that(both laugh)

then eventually divorce comes in that they came to disturb her cause they thought she was single(all laugh) as she doesn't cherish Drew anyone (both laugh) and so on and then of course goes onto Thunder-chair (both laugh) saying that's the most beautiful scenery she couldn't illegally create in her career but now she's going to legally cause that's getting mandatory to each participants(both laugh)...1 full hour lecture (both laughter),oh this also includes a huge note on gender bias as well(both laugh)...1 hour or more monologue as soon as they said Pokemon Master (both laughs)...then of course Drew gets the epilogue as well(both laugh) and then Drew joked that they were took leave of him as 'lord'(both laugh)...what you learnt was way politer version that she has driven them away(both laugh)..only a few days ago i came to know the full details cause only after she was very irritated cause i had to know if they pesterd someone even in her maternal leave did she tell Drew to say it...it was

then when i came to know about her antics(both laugh),but half a minute later returns and cries that she got irritated and all i didn't need to hear this and so on,i said don't bother it's nothing but as i said i had to know cause certain people are still in my ears then only could Drew finish (both laugh).. they're atleast not going anywhere near them ever again(all laugh)...but the Torchik isn't letting them away soon at all(both laugh) thousands of complaints already has been submitted to the whole world (both laugh) on how not to disturb people through people who dares to utter the word Pokemon(both laugh)so finally they're going to torchikally plead mercy(both laugh),but(smile),Brock,anyway, enough with the past,let the FUTURE begin(all smile).."

Misty(a few moments later,hugging Ash very firmly,tears, shivering voice,joy) : "Brock would you mind if i smack the hell out of this sweet sweet idiot now?"(all laugh)

Brock(laugh) : "profusely never in 19 years.(both

burst into laughter)

Ash(Hugging Misty quickly and wiping her tears off then tendering her head,Misty keeps hugging Ash very firmly) : "Brock,why is this temperamental bug on too much salt(both laugh)?...said it's ok all show,but then you saw(both laugh)...hum?..Mist flower,what were the words..stupid,jerk,bufoon(both laugh),this idiot,um,so sweet(both laugh),um,jerk,i will,um,fondle(both laugh),um,no,no..(both burst into laughter,Misty smiles and keeps hugging Ash firmly),but about smacking, Brock,Mist doesn't have to do that the brats outside will do it themselves (all laughs)...besides if they inquire,given we've ever been evsdropped(all laugh),would they get to know that it was based on reality rather than drama,but and give the answer with the but,besides i'm a fully professional retired husband(Brock laughs),Brock, lets play a logical GAME(both burst into laughter,Misty too faintly laughs)..."

Brock(laughing) : "well the answer is Cilan is here(both burst into laughter)...and the but is 3 to go(both laugh,Ash and Misty cheers for Brock)..."
Ash(laugh) : "besides i'll keep the press up till almost midnight(laughs)...then would insinuate (all laugh) that no i'll open the gym tomorrow but may the gym from tomorrow start at 5:59:59(both burst into laughter)... that's ages for my Metapod ain't it Mist(both burst into laughter,Misty too laughs)..."

Brock(laugh) : "yeah, well actually it's your debut and Misty's farewell,Misty got a clue?(both bursts into laughter)"

Misty(smile) : "I'm my Misty(all smile)..(Ash tries to wriggle away,all laugh,Misty hugging Ash more firmly)no you sweet idiot(both laugh).."(both laugh)

Brock(laugh) : "anyway,i better get going enjoy you two(both laugh)..yeah finally wisdom dawns 19 years(both burst into laughter, Misty also laughs)...but just for your info Ash,you will give a

joint discourse today to the press no matter what
and then you'll go single in your type advantage at
midnight(both laughs,Misty smiles)... best of
insinuation(both burst into laughter)"

(few minutes later)

Misty(crying, hugging Ash) : "no..you..."

Ash(hugging Misty firmly,smile) : "sweety,please
just the flow you know we don't hold these back in
family,hum?..and that's what it is among us, that's
why we're who we are..Mist,please,sweety,we've
come to an agreement right?..just forget..."

Misty(sobbing) : "no Ash,it's ok,i know you and
family,but(looking at Ash,tears),just thought about
the ending scene and this is what's in my mind
since then that...(chokes)"

Ash(smile, hugging Misty very firmly) : "Mist,we
already have and still awaiting to have,and you
heard my sis,why bother sweetie...Mist,please not
again,honey,this was your dream show and you'll
not again do it,we've had our times and will have
infinitely more..ok,no more,not now we have to get

prepared to go the press...(laugh)..hey
namecall...come on"

Misty(tears,smile, hugging Ash very firmly) : "we
namecall will(Ash and Misty looks in each other's
eyes,smiling and hugs each other very firmly and
stay for minutes)

.....

(Ash and Misty : Joint interview there they spoke a
bit of their life and all had fun brief 10 minutes)

.....

(Cilan and Jane spoke a bit with Misty and
Ash,then Jane speaking with Misty a bit,Cilan and
Ash)

Cilan(beam) : "man,i'm just so happy to see what i
heard,just will remember it ever and yes it's rather
universal (both smile)..."

Ash(whinnying) : "but Cili,Fletchy was better(both
burst into laughter)"

.....

(Ash's Interview,had fun 5/6 minutes and all)

.....

(May&Drew,their twin daughters,Alice and Alisa(around one year),Call)

(middle)

Ash(laugh) : "Gurdian,why Hall of Petals never hosted your rose(all laughs)"

Drew(laughs) : "equally thorny(all burst into laughter)"

Misty(laugh) : "Drew,how many seconds did Ash fumble in the last song(all burst into laughter).."

Drew(laughing) : "in 4 millis(all laugh),Ash only gets 53 to 35 micros right as usual(all burst into laughter)..."

Ash(laugh) : "i see,but Drew if you may,then please you may(all laughs)see as you may(all laugh) may the verse 32(Slashed)4 say(all burst into laughter) ever my dose,in my nose,you i chose,sweet sweet rose(all burst into laughter)/but Alice now here,please Alisa's there,Drew i'll glare(all laugh),am i wrong sister?"(all burst into laughter)
May(frown) : "i do see/too much glee(all

laughs)/flower i'm bee/you're so sweety"

(all burst into laughter)

Ash(laughs) : "Drew my Drew(all laugh)/where are you(all laugh)/bought the pairs of shoe?/Oh! I can't stand you(all burst into laughter)"

May(frown,Drew Laughs,May glares at Drew,Drew laughs even more) : "Viridian Misty Hi(all burst into laughter)/Jhoto Misty bye(all laugh)/no Misty i'll die(all laugh)/see Misty,you're all my(all bursts into laughter)"

Ash(laugh) : "Dear sweet Gurdian/please help to expl-ian(all laughs)/2 is indeed strain/but not fondling you;still is sane?(all burst into laughter)"

May(frown and again glares at Drew,Drew bursts into laughter) : "my dear sweet bro(all laugh)/too Misty the show(all laugh)/sleep please no(all burst into laughter)/but Misty i don't want to go(all burst into laughter)"

Ash(laugh) : "atleast once a day/what do you want say(all laugh)/atleast with them let me play(all laugh)/too sweet,out or be thrown into the bay.."

(all burst into laughter)

Drew(laugh) : "testing(Drew hugs May quickly which she doesn't like,all burst into laughter,May glares at Drew and smacks him,Drew laughs even more)...and already getting torchiked(all laugh uncontrollably,May glares at Drew and sighs,Drew laughs even more)

May(frown) : "hum...too much honey(both laugh)/Misty,am not i being funny?(all laugh uncontrollably)/i'm always your bunny(all burst into laughter)/(sigh)..yeah have to be your nanny(all laughs uncontrollably)."

Ash(laugh) : "well see Gurdian,4 is DONE(all laughs uncontrollably) and now is finally getting SLASHED(all burst into laughter)

How's Alice say?How was Alisa's day?no more so sweet Drew-rey(all burst into laughter)/i see,but such is fate sister May."(all burst into laughter)

May(Drew laughs,May glares at Drew and smacks him lightly,Drew laughs uncontrollably) : "Alice is very fine/but it's Alisa's bed time(all burst into

laughter)/Misty your mine/get off it's late
sunshine.(cut off,all uncontrollably laughs)

Ash(laugh) : "so gurdian, how's your REVIEW on
UNIVERSALITY (all laugh)?"

May(comes back, doesn't let Drew talk,Drew
uncontrollably laughs,smiles) : "besides Misty,
your performance was your performance(all
smile),(frown) but i'm sure he didn't need to wear
the cap to obstruct the scenes for
UNIVERSALITY(all burst into laughter)"

Misty(laughs) : "well, according to Tentacruel (all
laughs) that's the best place to keep the lines(all
burst into laughter)...and yes he used Gengar all
times(all burst into laughter)"

Ash(laugh) : "Gurdian,a beautiful person
beautifully used to beautifully bind beautiful
scarves on a beautiful head(all laughs
uncontrollably) beautifully matching the beautiful
dress(all burst into laughter),recalling your
beautiful first sight of your certain certain
beautiful beautiful colour(all laughs

uncontrollably,May frowns at Drew as well),by now has the beautiful hair beautifully followed suit?(all burst into laughter,May scoffs all laugh even more)"

Drew(laugh) : "the beautiful eyes has(all burst into laughter)"

May(frown) : "too happy huh?(all laughs)...wait till your 2nd anniversary (all burst into even more laughter,May also laughs)

.....

(Tracey&Daisy(Phone),Gary&Lillie(By Phone),Violet&Brock(From Their Room),Tracey calls Misty)

(Misty shows that Tracey wants to connect,bursts into laughter)

Ash(frown) : "that dumb jackle..."(Misty laughs uncontrollably)

Tracey (laugh) : "um...Mi.."(all burst into laughter)

Ash(frown) : "yeah wicked-jackle(all burst into laughter)...how's your tail(all burst into laughter)"

Daisy(laughs) : "Ash,you've ever spoken about future,but i want to return to past,the day you dated your flower and we were about to be past(all laughs)"

Lillie(laugh) : "the Demonboy part of the perfectly imbalanced evolution (all burst into laughter)"

Ash(frown) : "i see, meaning is clear but the sentence structure shows(all laugh) that Lillie was bunking the Mantine classes(all burst into laughter)

Violet(laughs) : "for me now it's Ashtine(all bursts into laughter)"

Ash(laughs) : "my goodness,much honoured am I(all bursts into laughter) Director(all laughs),but what is it exactly Brock,that this Ashtine can do but Ashtyke can't (all bursts into laughter)"

Brock(laughes) : "Ashtine can gobble up certain mermaids (all burst into laughter),by Ashtyke for 19 years only roams around Mistynes(all burst into laughter),and is too naïve (all uncontrollably laughs)"

Ash(frown) : "i see,the sweet-sour balance is rather improperly violated(all laughs uncontrollably),but among us present today is a great balanced man(all burst into laughter),but before questioning this only once impersonal man(all laughs uncontrollably) i must understand that what kind of effects are affecting certain traits(all laughs)...cause this venerable man now has to deal a bit too much with two lackeys(all bursts into laughter),one of whom improfessionally taught me(all laugh) how to position myself so that a Golden don't pick up my scents(all burst into laughter) but never taught me how to bushdrop on Weedels(all laughs),his speciality of course(all burst into laughter) and then there's another man,whose so fond of certain ideas that if you say this road is going to this city cause written on the board(all laugh),to this man it might still seem the compass is better suited (all laugh) in a place that's 10000 km away from his region(all bursts into laughter) cause his

compass is better than any other compass(all laughs)across regions
(all burst into laughter),which also includes his very own unknown maps of known places(all burst into laughter) but this man also happens to be a former gym leader,who was so naïve (all laugh) that he never tried to understand how to win a badge himself(all laugh uncontrollably) and thus he rather thought that that breeding or later being a doctor is a better profession cause atleast then he can get away from cooking professionally(all burst into laughter),cause in his college there was a nexus that despite his skills in Pokemon Medicines and all,this man is a way better cook,so the degree should be,at the first sight of this man,feed him to the charcoles(all burst into laughter) and not let him out of the the kitchen so actually this man is better named as Cookfirst Brock Slate,Doctor PokemonNoThanks(all burst into laughter),anyway to return to the greatly

impersonal intuition (all laugh) i may want to ask the most venerable concerneds (all laugh) that a certain Professionaly Doctored Personal trio(all brusts into laughter) is lurking around the Oak Labs by the veil of directorship now(all brust into laughter),to a certain Muk's utter benevolence (all laughes uncontrollably)

but now I hereby ask the concerned authorities that how is the current balance of slyness and gentleness(all brust into laughter), what's the degree of personality in professionalism (all brusts into laughter),and finally whats the ratio of doctoring vs crooking in paranormal gym leading(all brusts into laughter)..."

Daisy(laughs) : "too wicked to be impersonal(all laughs)"

Lillie(laughs) : " too doctored to be improfessional(all laugh)

Violet(laughes) : "most cunning and least personal as a crook(all laughes uncontrollably)

Ash(frown) : "much obliged am i by unCerulianed

Wisdom(all uncontrollably laughs)...so to begin with, venerable unimbalanceable Professor(all brust into laughter), my question at your impersonality (all laughs) is that what kind of traits in all concerned assures that a certain boy(all laughs) and a certain flower(all laughs) if they are sweetboy and bugged flower(all brusts into laughter) gets evsdropped by cunning crooks(all laughs uncontrollably) and yes on exactly which moments are they evsdropped (all brusts into laughter),and it is also expected to be expertly presented in a non-personal manner,thank you,Professor."

Gary(laughs) : "to uninsinuably profess this(all brusts into laughter),it must be pointed out first for a better understanding to the Vultures (all brusts into laughter),so that they may not be able to swear any balanced insinuations(all brusts into laughter),so the 1st point is

1.Sweet-boy(all laughs),which means too sweet to not battle in an improfessionally impersonal

way(all burst into laughter) according to
Pikachutionary(all burst into laughter)
then comes the flower,for which my perfectly
balanced lioness (all burst into laughter) is better
suited (all laughs)"

Lillie(laughing) : "to give the professional intuition
on personal motivations(all burst into
laughter),the concerned bugged-flower(all laugh)
was unhappy with her 3rd eldest lioness (all
laugh), especially in personal terms (all
laugh),cause her certain sweet sweet processions
like dresses,hair bands and
pins,pictures,cosmetics,sweet notes(all
laughs),cute teddy bears(all laughs) were
governed away(all burst into laughter) and
certain bugs were roaming around her at night
times(all burst into laughter)...so this flower is
bugged and bugs out of home to bug to the
forashend forest lake(all burst into laughter),a
forest full of bugs of course (all bursts into
laughter)...but there she sits for finishing,when a

certain soulmated sweet fish(all brust into laughter) is fished out(all laughs)...then...um...well..um...(all brusts into laughter)... it's better suited for a certain crook(all laughs) to uninsinuate this stammering as he was confided to this fact the very moment he just said hi bugged-flower (all laughs)...so please,crook(all brusts into laughter),serve us your great dishes (all laughs)"

Brock(laughing) : "the crook said,'hi bugged flower! (all laughs),to which the reply is,'um..ya!...hellowe...did he.."(all brusts into laughter),'excuse me 'mam bugged (all brusts into laughter),i didn't get you','oh!i'm sorry,i'm bugged-flower (all laugh),nice to meet you,but have you seen him...'(all brusts into laughter),'sorry whom are you talking about','oh that stupid idiot(all brusts into laughter),jerk,moron,sweet,sweet..um..no..sorry(all brusts into laughter),did Ash Ketchum went into your gym?...that..um..'(all brusts into

laughter),'yeah,he won the badge and is coming right behind you(all brusts into laughter),'oh!so he won,hey you sweetboy(all laughs)...how did you win,show me your badge,no let me take it(all brusts into laughter)...um..i want to fondle you idiot.. sweet..cute..um..no...anyway(all brusts into laughter)..you stupid jerk...show your badge'(all brusts into laughter) to which the sweetboy says sticking his tongue out(all brusts into laughter)...'hmm..bugged-flower,what were you saying i can't win,this is the badge...na na(all brusts into laughter)...','um...excuse me venerable sir,'mam,but i'm...',in unison the reply comes 'shut up'(all brusts into laughter)...so yeah to unsunitute,the bugged flower found the sweetboy so sweet that she decided to follow him 24 hours and boss him around,fake fight with him and all so that she could hug and fondle him all she wants (all brusts into laughter)...back to balanced professing (all brusts into laughter)" Gary(laugh) : "right,i can give the sweetboy

account that he never bothered about anything in the world cause he didn't know anything about it (all bursts into laughter) cunningly though (all laughs uncontrollably),but suddenly despite his outer behaviours,he was too sweetly interested about this bugged-flower (all laughs)...i saw him then a few times and it was like...'yeah,sweet boy how are you','hey bugged-flower,come here there's a pokemon(all bursts into laughter)...'boy,i'm right here','oh that's a pokemon, that's a pokemon, bugged-flower quick(all bursts into laughter)...then of course the bugged-flower comes and the two goes to date excusing a pokemon and in front of everyone (all bursts into laughter)...so thus the traits,the crook actually doesn't evsdrop there but gets evsdropped all the time(all laughs),cause our sweetboy and bugged-flower were dating each other in front of everyone and fighting and all that all things cause they barely knew or cared about the onlookers,so yeah,Vultureboy(all bursts into laughter)...to excerpt

the boy too sweet,by which the flower is too bugged(all laughs),by this bugging the boy in reverse is too flowered (all brusts into laughter),the crook like this plot cause he thinks he may be able to tell them to get the rings immediately (all brust into laughter) as it was just a formality cause they were 15 and married for 15(all brust into laughter)...so yeah,a married couple quarrels anytime anywhere all times if too sweetened(all brust into laughter)...so thus the crook tried to tell them that while they were too sweet to each other which is better not discussed(all brusts into laughter) cause the crook couldn't believe how can this be called travel companionship cause these two has surpassed all sorts of hesitations that even a 15 year marriage has(all laughs)....so yeah,the sweetboy and bugged-flower got married almost as soon they met and the crook unfortunately had to babysit them cause they were still 15 then and didn't understand anything beyond their unofficial

marriage(all burst into laughter)"

Ash(frown) : "much enlightened are we, Professor Oak...now to go to the second stage,the same question applies but this is when they are Orangeboy and Toffy-flower(Misty laughs uncontrollably hugging Ash, others laugh as well)...(laugh)...sorry..(laugh)... toffy-flower is a brilliant thing, Professor Oak,it was your words (all laugh).."

Gary(laughing) : "first trophy,Orange-boy takes his wife to home after Orange honeymoon (all laughs),and the wife at 18 is so nonchalant,calls Mrs Ketchum mom from day 4(all Uncontrollably laughs)....and the Orange-boy forces his mom to not fondle with his wife like telling her to contact her sisters or to go to the balcony alone(all bursts into laughter) else he'll runaway with her(all bursts into laughter)...and the trophy is the toffy that's the flower(all bursts into laughter)

thus toffy-flower (all bursts into laughter)...stays here 15 days,even the oldest married couples said

perfect marriage,just too young(all brusts into laughter)...but it was of 18 years(all brusts into laughter) so anyhow,TraceyDevil(all laughe uncontrollably),a poem you heard a year ago,that suits here to describe both traits and then why a foxly gentle cunning(all brusts into laughter) were sketching a marriage(all laughs)...by-the-way,Tracey means a devil(all laughe uncontrollably) who is gentlemanly-sly-personally-jackle(all laughs uncontrollably)"

Tracey(laugh) : "right,professonal impersonal (all laughs),this poem was observedly sketched(all brusts into laughter) and later recited many times to the concerned person(Daisy laughs then all else follow suit) but it's modified to describe 18th year marriage of 18 years old couple(all brust into laughter) - 'seeing the Mist all day and night(all brusts into laughter)/holding Mist's hands through dark and light (all brusts into laughter,clap)/Orange-boy you'll be killed if you leave my sight(all brusts into laughter)/hold my

hands tighter Ash or you'll be in plight.' (all bursts into laughter, claps, etc, Misty firmly hugs Ash and blushes, Ash laughs and tenders Misty's head)....so a gentleman-jackel(all laughs), always knew what they were up to because as the crooked man said(all laughs)...um hellow, you two...are you sure you're not married(all laughs uncontrollably)?'

'what was that Trace, huh?!? what was that?!?...i'll never mingle with a non-intellectual kid like him never in a million years(all burst into laughter, clapping)...but..um.. isn't he..um...cute, cute, sweet, sweet..um..no..no...um...'(all laughs uncontrollably)...and the Orange-boy says '...hey Orange-boy, isn't this girl cute(all bursts into laughter)...who..oh!you mean toffy-flower (all laughs uncontrollably)...no in front of you that girl(all bursts into laughter)...um...that...looks like toffy-flower (all laughs uncontrollably)"...then to this toffy-flower says 'Orange boy whom are you looking at(all burst into laughter)...then

scream,you jerk(all laugh)..who is that namecalled girl...hey you namecalled..i'll kill you...'(all laughs uncontrollably)...then if toffy-flower is mingling with other guys(all laughs uncontrollably)...um..Ash, don't send Gengar(all burst into laughter)...anyway,so then Orange-boy says,'what the hell she sees in that guy(all laugh)...who that brat thinks he is(all laugh)...why i don't get such attention from toffy-flower (all burst into laughter)...um..Orange-boy, she's always with you.. it's..oh! shut up you fox(all bursts into laughter)...let that brat come in,the badge i'll anyway win(all bursts into laughter)...but I'll show that brat...that...',then of course the boy is the Master so eventually he gets the win in such a fashion that if the toffy-flower already wasn't enough eaten then now was finally digested(all clap and laugh)..because the boy masters the art of impossible comebacks (all laugh),only when he knew toffy-flower was there(all burst into laughter)...yeah,you can remember till Sinnoh

Toffy-flower could directly listen to the combacks(all laugh),goes to Unova-Kalos which is more untravelled and unknown by Jhoto-Kanto group and especially Kalos,i asked a few there how he was,hall of fame gyms when heard about comebacks made a face like i was from Mars(all laugh),said he never came what to speak of back,joked-in-laughed-out(all laugh and clap) in Kalos and in Unova he was an ardent disciple of his mad bro(all laugh) and hence his then stubbornness and temperament(all laugh),his disposition alone threatened the best of hall of fame gyms there to submit before starting (all clap) so the combacks were all to sweeten his toffy-flower (all laugh),and after Sinnoh final she was finally assimilated(all laugh),so then that wasn't needed anymore(all laugh) same for toffy-flower, can't win against Raticate(all laugh) while with the Orange-boy so that he comes in for her and she would gaze at him in action(all burst into laughter) returns to gym tames a lunatic Gyarados

of all singlehandedly (all clap) and then becomes a legend but again as soon as the boy comes back to the gym for a long due date(all laugh),same Gyarados is beaten by Onix(all burst into laughter) under a minute cause Gyarados was beforehand trialed for such situations (all laugh) to flamethrow the water out within 10 seconds(all burst into laughter),which was kept at Golduck height (all laugh uncontrollably) and Gyarados then went to hugs-it-out with Onix(all burst into laughter) so we know it(all laugh),then throws the badge at the challenger without noticing whether he could spot that tiny thing or not(all laugh) and flies off to Orange boy within 2/3 minutes,sorry just washroom(all laughs uncontrollably)..anyway,Orange-boy also intentionally comes back all the more cause...eventually toffy-flower again jumps on Orange boy fondling him all the time while saying the whole battle was totally wrong her orders wasn't followed (all bursts into laughter)..and so

on..yeah also to paraphrase,the first brat in Unova who pulled an antic to disturb the family was also found out much later by through investigation by none other than ardent Cilan(all laugh) after he was told then and then was found out about 6 years later but the thing is that the brat itself was going to suicide later understanding the Undercover operations and yeah the brat is involved professionally still and Cilan of-course did his trick again there ardently(all laugh) and as i was saying the brat after Undercover itself self-realized that what the brat then thought of the Masters antics were only because he was waiting for the same or similar brat to return so his big-bro could have a fist(all clap) and partially it was found out to be true as well cause a few others were found out all professionals and all said that the master was so much ingrained with his bunch then that just lost control of his outer disposition and personal life all of it cause those who went the second time were sternly told his girlfriend

alone has ever defeated him with her personality and that's why he doesn't mention her in public cause she's too special to him and the word girlfriend is insulting to describe his longing for her so he doesn't use it unless such brats gets too interested but if anyone else were too interested and wanted to date him they have to apprise his bro that they really were friendly and the method is that they have to be able to make chu thunderbolt the Master's any other present pokemon(all laugh)...and you know bro was at his maddest in Unova cause his powers still didn't saturate,well never has(all laugh),that simply means an Elite4 head with a full grown unswelled fearow(all laughs) had no chance even then and it was in the very last days of his Unova and then he barely had any match except may be Laura,Katy and a few others,who themselves even then casted their doubt whether they too can surpass the mad bro is such temper is reached so then this means a real physical threat to go anywhere near the big

bro whom even Iris and Cilan was afraid of all the times...but that was the normal master still(all laugh),later the fool-around master fully grasped the precise anatomy (all burst into laughter) which even made Mrs Ketchum concerned (all laugh) as i later heard that unless for soulmates a kiss is being spat at from point blank(all burst into laughter)-this was directly said to Mrs Ketchum on 1st day after marriage in front of his wife to differentiate his wife from the rest so what to speak of mere mortals(all laugh) and this the Master himself told me before that memorable poem(all laugh) if you have a crush but don't go through hellrounds and all to check whether that's soulmately valid(all laugh) which in gross terms you have a crush if for any reason,just bust(all laugh) then gave another poem 'the very first rays of morning dawn/when i first saw you at my heart's lawn/since then i see you then and now/full of cough and spit,take a bow(all laugh uncontrollably)... but Mrs Ketchum is only

dissatisfied that a certain deal is always made(all burst into laughter)...so this observation must be sketched down(all laugh)..."

Ash(smile) : "done.(all smile)..my beautiful anatomy with the beautiful hellrounds will beautifully worsen without the namecalls(all laugh) but yeah i'll review the hellround implementations and eloquence of deliveries of the students(all laugh) but also this is the lesser half as you see(all smile) the better needed one moment but lesser needed 17 years(all smile), though i'm never sure of the better bugging around implementation given THE LAW(all laugh and claps) but i expect now extreme swearing as the sun for this whole hangout is a bit less lightened at present cause out of blue since a fake show an illusion is intruding that absolutely anything related to it is too sweet but the particular mention of the word Unova is very salty despite the inevitability that today itself it'll be heard during night many times but you've may be

now noticed that the glee is half joined by the sun since that explicit namecall due to delusional illusions."(Misty hugs Ash very firmly with tears rolling down,wipes off her tears,and smiles at him,Ash smiles at her pats her tenders her head) Violet (smile) : "Unova is my future Mist,unovize it(all smile)"

Brock(laugh) : "but please keep Goldy away(all burst into laughter),now lets jackle it up to Unovanize"(all laugh).

Tracey (smile) : "unovan Cilan unovanly told all unovans to unovanly organize a unovan tribute to uovan Noivern who is unovanly fond of our unovan toffy-bug(all laugh)."

Daisy(laugh) : "hey namecalled Unovan namecalled Water,i'll especially sanction that any Unovan gets the badge without battling but using lunatic Unovan Gyarados' to show that Misty Flower doesn't hug Unova(all laugh) and i'll also recall the Unovan baby sis from the gym to look after two persons who are looking very small now

but all these appearances as the ONE reality is appearing as Blossom and Jasmine too fondly especially due to another evenutality that they may too soon be treated as little fearows(all brust into laughter)...well he's already insinuating that Daisy doesn't like him anymore cause she hasn't invited him at home(all laughs uncontrollably) " Lillie(laugh) : "i'll open a certain r word box(all laugh)brought from Unova to pour it down unovaishly on the Unovan r.. worded ugly namecalled whatever (all laugh)...besides Misty girl, Gili will call you an Unovan r.. aunt,that rhymes as well(all laugh) unless you fondle him to death all the time(all smile) but he may like to exchange your Pokeballs for obvious reasons (all brust into) "

Gary(laugh) : " hmm...Misty girl..hmm..(all laugh)...Unovan Uno-pess...hmm...(all laughs)..catches Unovans..hm..(all laughs)...goes to Unova,fishes a sweetboy,hostages him at his Unovan home forcefully marries him(all

laugh)...hmm...then nonchalantly come here saying she has a lesser half but not other(all laugh)...hmm... besides Misty, don't get impersonally Unobalanced (all laugh)...now it's time to sow the quotes that were sweared,jackle,fox it(all burst into laughter)"

Tracey(laugh) : "Unosistence per Unocise Unoceptions(all laugh)"

Gary(laugh) : "the cooked man was most cooked so let him have his time(all burst into laughter)... Unnesseciate the necessary if the necessity is subtle enough i've not changed it shade that(all smile)"

Brock(laugh) : "well a certain short-tempered unovan bug may insinuate that(all laugh) during timescale things have changed in the last 16 months,which vulture is now being abjectly sweared off(all laugh)..by a certain sweared theory the Master implied(all laugh)...that a certain accident isn't certain at all and thus the future(all smile)...so thus the future is but this

time not swore in(all laugh)...what did the master say about guardianship?"

All in Unison : "shared future policy(all laughs uncontrollably including Ash and Misty too finally laughs,to others cheers)"

Misty(smile) : "um..yeah,the better half teaching is that my Unovan Gyarados is idiotically so sweet sweet so you namecalled get off to Unova while i devour him up(all laugh and claps,Ash and Misty hugs each other firmly and smile at each other for a few moments)..right,too cutened(all laugh and clap)..and about the Unovan future right,all you callednames(all burst into laughter,claps), there's only one thing to do - fish-fondle-spit-the-head-off-repeat(all burst into laughter)"

Ash(smile,a few moments later) : "well things have got too Mistyvious here(all burst into laughter and clap)...so jackle(all laugh) sketch it down(all burst into laughter)"

Tracey (laugh) : "so the jackle minutely observes(all burst into laughter)..then 'um..you

two...are you sure you're not couples(all burst into laughter)'...in unison they scream at me
'NEVER'...'its just um...we're...too fond friends...(all laughs uncontrollably)...um..we mean best..um
no close...um..no,no..great...no,no...very
good...shut up you jerk!..hum?!?..what was so
special about that bloke hum?!?'(all bursts into
laughter)...then again this fight is just about who
can hold others hand and continue gibberishing
while intently looking into each other's eyes(all
clap and laugh) for how long and how much
prudently (all bursts into laughter)..so that even
any other gross observation also is they
themselves (all clap and laugh)..anyhow so the
fox just gave them some observed memories(all
bursts into laughter) and they were in all bushes
possible(all burst into laughter) which were
absolutely public (all bursts into laughter)...so this
the 17th to 18th year of marriage and just after
they left for Jhoto Mrs. Ketchum was very
concerned actually (all laughs

uncontrollably)...asked me why didn't they settle down in Pallet(all laughs uncontrollably)...by the way Ash, she's very angry that her daughter-in-law was crying yesterday(all burst into laughter)..."

Ash(laughs) : "just my Mimmy(all burst into laughter)"

Tracey (laugh) : "right,but still with this the toffy-flower and her family relation skills(all laughs) at their Pallet stay is going to be elaborated,now to transfer you to the via poemwhich (laugh)..i'll ever remember the occasion of so i'm saying the original version...this he was telling me if his surprise at that set up farm where Gary was urgently called in at 7 in morning with all possible papers (all laugh)..so he's trying to say that what a great thing awaits me given what i'm already(all clap)

'seeing the days through bright. and pale(all claps and laughs,Daisy also laughs)/sowing the sketch through tooth and nail(all clap)/rowing the fate so why to sail,(all clap,cheer)/(laugh),so Trace

march on,(growl)unto the Hell(all laughs uncontrollably,tears)'...."

Daisy(laughing) : "right so our sweet little toffy-flower marries the Orange-boy obviously without telling us(all burst into laughter) and hostages her husband in his own house(all laughs uncontrollably)...now,we tell her to come back atleast for one full day(all laugh) then go back she of-course can't let her husband go out of sight (all laughs) and viseversa (all bursts into laughter)..so she quarrels and all that(all laugh)...then Mrs Ketchum spoke with us very concerned...'um...yeah,Daisy,i understand, she's a very nice girl but..um...(all bursts into laughter)...',why Mrs. Ketchum has she done anything?...no no not that... it's ok..but she calls me mom as well(all laughs uncontrollably)...then i obviously realize that she's not going to return at all(all laugh)...so i still say how is Orange-Boy and all...'um...no Orange boy is ok,but those two together (all laughs).... doesn't even bother about

my presence (all laughs uncontrollably) and i asked orange-boy when she'll go home (all laughs uncontrollably)..to which he probably has told her to call me mom(all laughs uncontrollably,tears)..! and so on was going,but this is only the first stay(all laughs uncontrollably)...later our Gym Leader the now Universal water Empress would go there and we'll see what happens to that great personality once the sweet-boy comes around(all bursts into laughter)...so now we're back to the personal non-professor(all laughs uncontrollably)"

Gary(laughs) : "so you see vultureboy (all laughs,claps),the Orange-boy and the toffy-flower (all laughs),were preparing to get settled down a bit(all laugh) anywhere (all bursts into laughter)...so a gentleman looking most cunning fox(all bursts into laughter) was unfortunately made their ride(all laughs uncontrollably)...and thus the evsdropping"

Ash(frown) : "i see,by the way gentleman,you

never traveled with me again, alright you were afraid of me and my wife(all bursts into laughter),but then i also travelled alone though you would've made my life unbearable if you were present with a crook and a devilish little sister(all bursts into laughter),whose now off course too twin rose up to fondle her one rose(all laugh) in regular intervals(all laugh) as we were going at each other before this conference (all laughs)..."

Misty(laugh) : "attention!toffy-flower wants to bug around(all laughs,cheer,clap)..(laugh)...this is from the 2nd visit cause then the Master was being around his sweet sweet flower(all laugh) at his own home(all laughs uncontrollably)...and to what went before between little sis and big bro,is proper so saying,this is perfect to tell Lil from my side so saying->

"so Venerable impersonal gurdain(all burst into laughter)/please help us to explain/yeah,the initial days are strain/but not fondling you at all(all laugh),still is sane(all bursts into laughter)?

and then, this was the sister's reply (all laugh)...
Viridian Misty Hi (all bursts into laughter)/Jhoto
Misty bye (all laughs uncontrollably)/no Misty i'll
die (all laughs uncontrollably)/see Misty, you're
all my (all uncontrollably laughs, tears)...."

Ash (laugh) : "right, but as you see -
'tracing the jackle through bush and hey (all
laughs uncontrollably)/Professor comes never to
wish you a single day (all laughs
uncontrollably)/behind you there's a crook, without
a say (all laughs uncontrollably, tears)/elder
flowers your beaus have gone to bay (all laughs
uncontrollably, tears, Misty too follows suit)

Violet (tears, laugh) : "by the way, i remember the
great master when he came to formally confess
his longing to the youngest flower (all bursts into
laughter) after the Battleside Show frontier (all
bursts into laughter)...

'hi i'm Ash mam, came to stay (all laughs
uncontrollably)/you're not a challenger so please
see your way (all laughs uncontrollably)/hey

namecalls i know you where's Misty say(all bursts into laughter,tears, laughs

uncontrollably,claps)/Misty comes next day who's he anyway(all laughs uncontrollably,tears)

Lillie(laughing) : "yeah then his first present to his girlfriend,i was there->

'so Ash what have you got for Misty say(all laughs)/um..mam nothing much,just a trophy today(all laughs uncontrollably)/your brat are you sane where's a flower bouquet (all laughs uncontrollably)/Lil don't try me the trophy is 10 years a way(all laughs uncontrollably)..."

Daisy(laughs) : "and i recall,one day his Mist flower was gym battling(all laugh) so i picked up cause i just didn't want to battle and insinuated (all laugh) Mist flower to do the job cause i wanted to Ketchum up a bit(all bursts into laughter),this is his Sinnoh,this is after he had won all badges before the final-> this actually was the excerpt cause he used to call around 2:30(all laughs),his system was that he would chat 45 minutes or

so(all laugh) to get his energy drink and then again go out(all laughs)...and night 11:15-11:40 each day(all bursts into laughter),same reason many times Mist said barely would talk even(all laugh)..talking all at noon..night would just would sweetly say,'um Mist can't i gaze at you for 20/25 minutes cause i want to dream you sweetie'(all laugh uncontrollably)..and the night is always video call,noon always normal call so that his friends and pokebrats don't misbehave(all burst into laughter),who were anyhow later controlled by his lunatic mad bro(all burst into laughter) who somehow from the 2nd day itself like the Master has separated Mist from the rest totally and is also overprotective of Mist now(all laugh)...Mist said,would get up at 4:55 and after that getting fresh nothing,wake up,next thing is thunder-chair(all bursts into laughter) and that 5 minutes for not making extra was spent before work 5 minutes of minute gazing at Mist's picture (all laugh and clap)..Trace told me later,this is after

confession-> wake up 'um..hey Ash good morning','yeah,yeah, enough(all laugh),why is it that i don't hear the first and last word of the day from Mist(all laugh)','um..Ash,why don't you just marry her','i don't know,but marriage,well Mist said thus is married life(all burst into laughter)..anyway,he'd go on to Thunder-chairing just after waking up and water pokemons would brush and freshen him up that's all(all laughs)..night before sleep around half an hour was his Mist gazing time(all burst into laughter).. Brock and Mist both said video call ends go to bed wouldn't hear anything at all said i want to dream well(all laughs uncontrollably)..so he'd call half an hour Mist can sleep on the table anything but he wants to gaze at her all time and one day both those two fell asleep while in the call(all laughs)..anyway so his gazing time is very important..and would do exactly that without much words(all bursts into laughter)...anyway this one time the master wasn't in particularly sweet

mood(all laugh)...this is noon...

"Mist Mist...how are you?what are you doing?what have you eaten for lunch(all brusts into laughter)/what's your bunch doing(all laugh)...oh you're so sweet,i want to eat you up(all brusts into laughter)...like Gyarados but come closer i wanna look you up(update(all laughs uncontrollably)...and that's it(all brust into laughter)....the rest is all Gyarados and every detailed body movement that Mist does during battle(all laughs uncontrollably), unless Mist wants to say anything or he has and that's it(all laughs)...Ash, Gyarados helped you for 7 years didn't she..."

Ash(laugh) : "indeed Daisy(all brusts into laughter)...before i saw Kalos Wisdom via Gengar going through libraries at dark night or mid noon,when none misbehaves(all brusts into laughter)... that's another part of my life...because there were 3 little brats around me(all laugh)...um,Ash, where were you at night (all brust

into laughter)/i see what's your favourite magazine(all laugh uncontrollably)...like that(all laugh)..."

Daisy(laugh) : "so now this conversation->

"Mist,Mist, you're so sweet(all bursts into laughter)

Ketchum, It's not Mist,i'm Daisy

Daisy,o!..I'm.. sorry...(all laugh)..but who the hell is this (all bursts into laughter)?

Ketchum have you lost your mind i'm her eldest sis

no 'mam that is alright but I just want to see my Mist(all bursts into laughter)

Don't go so overboard Ketchum,she's battling and you should practise

practise already done 'mam but where is my Mist(all laughs uncontrollably)

learn how to behave Ketchum,just pick up all your piece (all bursts into laughter)

hey namecall (all bursts into laughter), don't cross me,you just bring me my Mist(all laugh)

Ketchum you've crossed the line,this phonecall would finish(laugh)

Dase don't dare to challenge(all brusts into laughter),i'll abduct my Mist(all laughs uncontrollably)

Dase,you should ve battling why is it my Mist(all laugh)

Dase,don't mingle with her,she's only My Mist(all laughe uncontrollably)

what i'm telling you is that she's only MY Mist (all brusts into laughter)

Unless you budge right now,Pikachu will see this(all laughs uncontrollably)

Yeah,well not these words or tone (all laugh) but constantly went on for 30 minutes that he has to see his Mist immediately after finally he sees Mist,his perpetual greeting 'Mist! Mist! your so sweet'(all laughs uncontrollably)...that is done then spoke and all every day 1 hour and 15/20 minutesin two parts,Mist is absolutely necessary

(all laughs)..."

Ash(laughs) : "right so thank you for trying to rescue your beuas from deep waters(all laughs uncontrollably).. though they've decided to stay exactly there (all burst into laughter)..well good to see the venerable flowers atleast teaches swimming (all laugh),my flower only drowns me more(all burst into laughter)..besides i remember still vaguely our venerable Professor's Reaction during my 18th year marriage stay at Pallet as Orange boy(all bursts into laughter)...hmm.. Ashy-boy...hmm...(all bursts into laughter)... Pokemon Master...hmm...(all bursts into laughter)....Orange League...hmm... Waterflower....hmm...(all laughs uncontrollably).... Ashy-boy...hmm...(all laughs)....dips in water,picks the flower (all laughs uncontrollably)...wins the trophy proudly bounces around ' toffy-flower toffy-flower (all laugh)..ya ya na na(all laughs uncontrollably)...hmm...(all laughs uncontrollably)... Waterflower wasn't good enough

so add Ketchum(all laughs uncontrollably)..hmm(all laughe)..and of all had to be Ash Ketchum..hm..(all laughs)...nonchalantly comes home,thinks there's no ring we won't understand...hmm...(all laughs uncontrollably)...League victory on 1 year honeymoon...hmm...(all brusts into laughter)...tells his mom if she's told to sleep at at the lab he'll follow suit immediately...hmm...(all laughe uncontrollably)... multiple homes..hmm..(all laughe)..can't get a girlfriend so get a wife..hmm..(all laughe uncontrollably)..gym leader hard social life so before anything get married..hmm...(all laugh uncontrollably)...roams around as if nothing,saw fisrt thought just crush,this much...hmm...(all laugh)...Pokemon Master..hmm..trains Pokemons..hmm...(all brusts into laughter)..18 years just leagal away from home championship money that too in Orange..hmm(all brusts into laughter)...', Remember that Professor (all brust into

laughter)..."

Gary(laughing) : "not the hmms(all laughs)...turely
Ash Ketchum..hmm...(all burst into laughter)...Hall
of Fame...hmm(all laugh)....4 years swears
everyone,no deal directly breaks-in...hmmm....(all
bursts into laughter)...acts on a show thinks we
won't understand the what's real deal...hmm....(all
laughs)...surely Ash,that break was something (all
laughs)..even Grandpa by the end said like
'good,good we all first had our careers (all
laugh)...Gary it's a great thing isn't it careering
together all the way(all burst into laughter)..."

Ash(laugh) : "right but now,
telling the future photo league dawned(all
laughs)/boy is stricken now(all bursts into
laughter),flower blossomed(all laugh and
clap)/stricken boy, blossomed flower,legal all
great(all bursts into laughter)/but a certain crook
said where's the rush,hey mate?(all laughs
uncontrollably,tears)/Professor then what
happens deep night pin drop/suddenly the crook

gengars showing we've been evsdropped (all
brusts into laughter)

Gary(laugh) : "hmm...(all brust into laughter)...
stricken-boy, blossomed-flower..hmm...(all brusts
into laughter)...boy-flower-stricken-
blossomed...hmmm...(all brusts into laughter)...
respected crook then what..hmm...(all brusts into
laughter)...no Ash, thanks for reminding me that
hmm..(all brusts into laughter)...just needed to
add that to my thinking process..hmm...(all
laughes uncontrollably)..."

Ash(laughs) : "crook,please hold thy crooking for a
booking,mind this word crook(Misty laughs
uncontrollably hugging Ash)...got that(laugh)?"

Brock(laugh) : " 'ah,always liked such brave-
hearted boys, let's discuss our future tonight(all
laughe uncontrollably)?,excuse me but he's
booked(all brust into laughter),says who,I MIS-TY
(all brusts into laughter),Oh,Mis-ty(all laugh),are
you his girlfriend (all laughs),um..no..(all
laughs)...i'm his coach(all uncontrollably

laughs)...got it yeah... memorable stuff cause this went on for a week,'why are you looking at her(all laugh),who,that namecalled(all laugh),Mist please,i've to see who's in front to walk(all brusts into laughter),...um..no,then walk behind me(all uncontrollably laughs,tears)...this was something(all laugh)..."

Ash(laugh) : "yeah but totally encircling now(all brust into laughter),anyway,because a certain memory may make a certain balanced Professor totally imbalanced (all brusts into laughter)...how's the Professor's soulmate feeling about this (all laughs)..?..

Lillie(laugh) : "balance factor...hmm...(all brusts into laughter)...walking behind...hmm...(all laugh)...but what if he turns behind...(all uncontrollably laughs)...hmm...(all laugh)...then should walk side by side...hmm...(all laughs)...which is,hmm(all brust into laughter).. Waterflower beside Ketchum..hmmm...(all laughs)....first marriage then husband's role is

being the boyfriend (all laugh)...hmm...(all laugh)... personally Profesaional...hmm...(all laugh)...and the Professor's soulmate only thinks..hmm...(all brusts into laughter)..."

Ash(laugh) : "i see Lillie,thanks..hmm...(all brusts into laughter)...but,most cherished crook(all brust into laughter)...what happens to the stricken-flower(all laugh)?.."

Brock(laugh) : "by the end of Jhoto i told both that Listen you've 5 years ago crossed the age(all brusts into laughter)...settle down have a family(all laughs)...hmm...(all brust into laughter)...so then they finally have to depart and on that day of departing is a novel by itself(all laugh) the flower was actually saying that Cerulian and Pallet is hell and heave so that she may not the stricken boy again and so on(all laugh)...i was trying to flee the scene as quickly as possible(all brust into laughter)...cause the flower was desparate to fondle the boy that day(all brust into laughter)..too sweetly,too closely,too tenderly(all

burst into laughter)....but the boy here plays a Master Trick,which ungentlemanly uncanny man(all burst into laughter),please reveal to us this stricken boy's wicked tricks in your cunning ways(all burst into laughter)which are compared via beauty(Tracey bursts into laughter,Ash also laughs).."

Tracey(laugh) : "so this stricken boy, beautiful boy, beautiful boy, beautiful boy(all bursts into laughter)...so the flower beautifully tries to beautifully fondle this beautiful boy(all burst into laughter) but the beautiful boy beautifully shields by beautifully playing the beautiful card of beautiful friendship (all laughs uncontrollably)...thus he beautifully tells the flower that she can go her way he'll go his way and so on..the flower sang a song that day which the words were later changed by her and the song is an international sensation by now(all laugh and clap)..besides we're doing everything but Violet what's your wisdom is saying on the Cerulian

reaction to this night (all burst into laughter)..?"

Violet(laugh) : "what night this comrades Cerulian (all burst into laughter)/we must very first fondle this sweet sweet Ketchum(all burst into laughter)/comrades we never knew the young flower dream(all burst into laughter)/hiding such a beau with her(all burst into laughter),whose language is though a little bit obscene(all laugh uncontrollably)...

so this was the review but now this should be gentlemanly-foxed out(all burst into laughter).."

Tracey (laugh) : "right thanks..now the blossom-but-that-day-stricken flower(all laughs) of course gives some memorabilia like a too adroed handkerchief (all bursts into laughter),or a too stricken picture later(all bursts into laughter)...but those we know so lets follow the boy,so this beautiful boy beautifully returns to his beautiful home(all burst into laughter) and he then beautifully comes to the beautiful Oak Lab,um..Mr Skechit,hey Ash..what happened man...'hey

namecall don't pester me(all bursts into laughter),'um,Ash everything alright,no, Mist had to go home(all laughs uncontrollably),just give me the Cerulean city Gyms's number,i demand to see her immediately (all laugh) and if Mist changes her number and can't contact me and you slyly sitting here at the Lab don't do anything(all laugh),then your Syther will chop your head off(all laugh)...so the beautiful boy beautifully phones to his sweet sweet flower and besides when they video called the screen was ever treated as a hindrance (all laugh),anyway,after that conversation i'm threatened to death that if i don't keep an eye on his flower as people can try to spoil his flower(all laugh) especially if they were young female unmarried vultures(all burst into laughter)...so i had to and that was something as well...'... here's your badge,aww!My Ash is in that gym now(all burst into laughter)..um,thanks 'mam for the badge but who's Ash..'you idiot get out,why are you

even standing here,my Ash needs to concentrate(all laughs)...um..sorry...but..what would Ash be doing now...(all bursts into laughter),then we went to hangouts...'Trace carefully follow that namecalled in that far corner...(all laugh) isn't she trying to get too close to my Ash(all laughs uncontrollably)..?...!Misty please,Ash is in Hoenn...'um..Hoenn..um..why this place too can't be Hoenn(all laughs)..'...'Trace,Trace,look at the other side of the road..that boy..Hey Ash!(all uncontrollably laughs)..'...so this went on,but the cunning crook(all laugh)..what was happening in the other way so that we may get a better view?"

Brock(laugh) : '...hi!Ash!..yeah,yeah,enough(all bursts into laughter)...say...'um..may we..';i don't think your motives are noble,please leave (all bursts into laughter)'...this was once after 7th badge in a small competition and otherwise would ask like 'hey, isn't that Misty(all bursts into laughter)...this girl is cute,right hey Brock, isn't she

Misty(all brusts into laughter)...3 on 3,7th gym badge..water gym...yeah, isn't the Gym Leader
Misty(all brusts into laughter)...then morning wakes up,'hey,Mist'(all laughs)...um..sorry...but is Misty sleeping now too(all brusts into laughter)'.and yeah a certain handkerchief was kept in the inner chest pocket all the time(all laugh,cheer)..and that was obviously too adored at night(all laugh)..then mumurs 'yeah,but,i had a dream and Brock i saw Misty(all brust into laughter)'.Ash,come to terms,she's at Cerulian...no you don't understand... she's Misty (all laughs)...nice name..(all brust into laughter)..um..very sweet name..um..too sweet..(all brusts into laughter)...";Ash,why don't you tell her and start a relationship...'relationship?...why? she's my Misty(all brust into laughter)..um.. means only Misty(all brust into laughter)...then later in Sinnoh far worse but that comes later and Hoenn has many more left but this was just to give the after photo part which by current standards if a

certain bike was kept at Viridian, the very first sight of that bike and the whole city would've got thunder-chaired (all burst into laughter) with of course Gengars doing the rescue operations (all laugh uncontrollably)...and this is just amusing cause he barely practised and then even at practise you know what it is (all laugh)..no they are why Oak Lab is what it is simple (all smile and clap), anyhow just hope he doesn't appear in our room here (all burst into laughter)...so, anyway the boy was so stricken by the end of Jhoto that he wasted one month (all laugh) and then was demanding that his flower also comes with him during battles cause if someone else hands him over the pokeballs he feels sweetened (all burst into laughter)...and the flower of course was trying to sit on his shoulders all the time (all burst into laughter) and so on...but the flower was down with her antics now that she was blossomed, something happened (all burst into laughter)...right Master...(all laugh)

Ash(laugh) : "well,she's trying to gag me now(all burst into laughter)... it's ever perfectly and Misty obviously done(all laugh and clap,cheer for Misty,Misty blushes and lightly smacks Ash,who laughs even more)... including smacking...(all burst into laughter)..."

Brock(laugh) : "right,so the flower blossomed to become too Misty(all laugh) and was wanting the boy now to do his antics to please her(all laugh)...in these days the if i told the boy call her to come to dinner,the boy won't return obviously (all burst into laughter),so i had to go and they were too fondly looking at each other holding hands of course(all laugh) to have any idea where they were standing (all burst into laughter),and yes this time hand holding was sometimes well quite a few times getting supplimented by too-sweet-very quick-hugs(all laugh and clap)...so this went on in the last days and the boy in these days became ferocious actually if someone looked at his flower(all laugh)...i was ordered to make sure

that except me there's no boys around her seat in a specified circle (all laugh)...and Ash, for all Unova, remember those after battle parties in Jhoto(both laugh)...?

Ash(laugh) : "

yeah, by the way the flower blossomed and the boy beed around also has a reason cause certain unmarried female brats were misbehaving (all laugh) and the flower was up in arms with them all the time buying the boy the precious time to flee the scene (all burst into laughter)...then Mist dawned upon the flower(all laugh) in literal terms that why do all brats want to fondle with 'my Ash' by looking at him which sentiment was a bit more than reciprocated(all laugh), but then the actual Mist came in, who has dawned upon my shoulders here(all laugh and clap) and the flower was during too close antics(all laugh) winking and smirking more(all claps and cheer for Misty) thus the boy realized that it's finally time to be around as before he might've been hugged but also would've

been slipperd(all uncontrollably laugh)...so now the beeing around started but now the boy had a big advantage that he could hug the flower without any shoes (all laugh)...by the way shoes were always a great excuse(all laugh) either my shoe or my flower's hardly were alright in later parts of Jhoto outside cities so on trekking though plane lands(all laugh),also because we were picking up sudden obvious injuries(all laugh),we were helping each other to walk(all laugh) together(all laugh and clap)...now the span of hugging which the flower was desparate to stretch to 24/7(all laugh) to which the boy always wanted a second more(all clap and cheer for Ash and Misty)...and the thing about deep night pin drop let me clear(all laugh),cause that part only the crook once saw out of may be 365×5 occasions(all laugh)...and that day was the least special day,just both went up almost at similar time and was saying that the rooms weren't good cause it wasn't a dormitory (all burst into laughter)...and

after that occasion till Mist was with us even in Hoenn reunion always in dormitory (all laugh)... unmuted female fearow isn't good (all bursts into laughter)... so deep night version is that... 'um... Mist, today.. the sky is.. um... clear (all burst into laughter)... 'stupid jerk! go to bed...' 'um...' 'Ash, let me sleep, 2:45 (all burst into laughter)', so would wake up at 2:45 many times for 7/8 minutes or so, just go to the window hold the hands later a bit prolonged hug (all burst into laughter) and 'you're my better friend' (all burst into laughter) again come back and sleep if pillows were used, 'um.. Mist, this one's not good, my neck pains', 'yeah, mine too, too soft' (all burst into laughter, clap) then was automatically exchanged without a word (all laugh), but some days that stretched to 70 minutes (all laugh) as well if we were fresh and slept at noon or could do so (all laugh)... just pokemon discussion of course (all laugh)... then 'Mist, you look rather better in ponytail (all burst into laughter) more so cause

Ponyta..sweet Pokemon..(all burst into laughter),then 'um..Ash,umm...a bit dark tonight'(all burst into laughter),which is hold my hands too tight(all burst into laughter),well she's doing it for herself now..(all laughs)...and this is when i was being around later parts we'll hug for long and then in the last week actually my flower was tendering my hair too and me the ponytail(all burst into laughter)...'Ash...um...why do boys look at girls(all burst into laughter)'...'no just a normal stuff,but for me still a mystery (all burst into laughter)...' and we were very close to confessing since the first day itself (all laugh)...but you know,the play is the play(all smile)...anyway the after battle parties at Johto were all formal since round of 32 everywhere else its only semifinals and final...

'Mist,i must go there alone, friends aren't allowed,'friends,friends(all laugh)...hum?...so many girls isn't it?(all laugh)...either i'm going or you'll be in deep waters (all laugh)..friends..(all

laugh)..so,had to desist except after quarter final and semi final(all laugh)...Crook(all laugh), how was the speculation on me being all alone in front of unmarried misbehaving female brat glare(all burst into laughter)..."

Brock(laugh) : " 'huh!.. friends not allowed,friends,friends..family..(all laugh)...um.. anyway (all laugh)...hey Brock,are there too many girls there(all burst into laughter)... couldn't he say i'm his second cousin(all burst into laughter),then when saw a few participants on semi final would go there and especially Melody who beat Ash in the semi-final and went on to become champion and Ash praised her a lot and all(all laugh)...then would almost cry to me just after he leaves after hugging her for 1 hour or so(all laugh) 'Brock,why doesn't he like me?'(all burst into laughter) and then after Ash returns first thing,'hum,too melodious hum?' (all burst into laughter) and when we were in parties,'ahm,excuse me Ketchum(all laugh),you've come here under my

wing. remember that (all laugh)...'hum..rather you've come due to intellect'(all laughs uncontrollably)...now this always gets the blossomed flower to absolute despondency that how can 'my Ash' say he actually not 'my Ash'...this was the whole hellrounds as you know(all laugh)...now as soon as she hears it, she's so dejected that i have to leave the party immediately and fondle her to death (all laugh)...so she cries there and then i say why are you crying we can leave anytime if we don't like this it's just a formality... now you can understand the situation and we were 4 years behind the formal confession (all laugh)... somehow she says 'so cute the girls isn't it?(all laugh)..fine i'm leaving but you'll have to return as well(all burst into laughter)...yeah this is 20 year marriage stuff(all laugh)...then she again cries 'hum...what did you say,hum(all laugh)... intelligence, intelligence (all laugh)...you stupid jerk what do you know of intelligence,you...'(all laugh)...then i realize the it

was too intellectual for the bug to handle(all burst into laughter) and say alright lets go or atleast lets go to an empty place all will see us..',then she finally comes to an empty area and grabs my hands and tries to sit on my head(all laugh) and all i say 'hey we were joking right,why get so sentimental?'(all laugh)... sentimental word gets her even more distraught and this was the round of 32 party at Jhoto...then she sobs 'you are my best friend (all laugh),how can you say that i'm here to see other boys who aren't friends(all laugh)...',and so on,then we have to politely hug it out(all laugh)...that was the only time then in a public place and thank God none saw us else i would've been disqualified from the championships cause we didn't wear rings(all burst into laughter)...yeah so we hugs-it-out saying, 'sorry Mist,very sorry if you're hurt,but hey we're friends right(all laugh)... friends joke and these things happen and you're my best friend(all laugh),please stop crying and if you don't want

we'll leave no trouble'...now this gets my flower in her type advantage (all laugh)... first the hug,then the BEST confession (all laugh) and then sentiments so that i won't bug her again atleast till the next day(all laugh)...so my flower sweetly says,'yeah..um..no Ash, it's alright,you can stay,i'll leave...i'm..um..not invited so..'(all laugh)...so then i understand and say alright i'll dance only with you,fine then best friend'(all burst into laughter)...um..yeah... it's alright as you wish(all laugh)...no we should go,we've been absent from the hall for long(all burst into laughter)... let's go,and yeah, you too are my best friend,Ash,more than best...um..best friend..(all burst into laughter)',then we enter the hall again and well to my utmost delight can't take my eyes off(all burst into laughter) from my better than all friend(all laugh) and danced a bit,which i forced her not to do much cause we were Officially better friends only(all laugh)... anyhow Crook(all laugh)...you couldn't come that day,but when we returned what

did you OBSERVE (all burst into laughter)?"

Brock(laugh) : "the couple returns with other's arms around (all laugh)/the whole night was thus travelled being around(all laugh)/scoffs at at me they're just friends very sound(all burst into laughter)/finishes the dance midnight feeding me to the hound(all laugh)...again stricken boy (all laugh)...that dance got you through 16(all burst into laughter)"

Ash(laugh) : "better than that(all burst into laughter)...we danced for one full hour and don't know how we didn't confess that day(all laugh)...then hugged each other for like another hour...no words were spoken though in those 2 hours(all laugh)... except how better a friend we were(all laugh) and pokemons ofcourse (all burst into laughter)...then just before we went back to sleep,my flower first time in 5 years asked,'um..Ash...','yeah?','Ash..um..(all laugh)..have i been a nice friend to you(all burst into laughter)..um..like more than..um..best friends(all

burst into laughter)?"',Mist,you are like a friend
whoose even more than best friend (all laugh)...
you're a very nice person,great
person,best...um..friend(all burst into laughter)'
anyway,we went to bed around 2(all laugh),then i
was called at 4:30...'Ash,wake up(all
laugh)...Ash...you idiot (all laugh)..' then as we did
all the time blow air inside ear(all burst into
laughter)...i wake up saying 'Mist,why are you
awake and i would be too sleepy at noon,i'll go a
bit later today need to
sleep','huh?!?...sleep...sleep..you jerk,unless we
discuss you'll be trouble(all laugh)...what do you
know about Feraligator..(all laughs
uncontrollably)...well(all laugh)... that's something
for sure(all burst into laughter)... Professor any
clue(all burst into laughter)?"

Gary(laugh) : "been shifted to fox section (all
uncontrollably laughs)..."

Tracey (laugh) : "yeah,and we already have Muk(all
burst into laughter)...but the bright days can say

better (all laugh)"

Daisy(laugh) : "i went for an inspection 6 days back, first Crawdaunt tries to misbehave (all laugh) by fondling my Squirtle and telling him that he was fondling him as well so that he may give him his pokeball(all burst into laughter)...but i didn't see Feraligator (all laugh) and then came back and then wanted to see Starew and then(all burst into laughter)....the brat with that size tries to dance with me(all laugh),then i chide him(all laugh),this is in the outer are,then at this rejection (all laugh) he gets even happier (all laugh) and snatches Dewgong and then asks him if he could do anything for him(all laughs uncontrollably)... Dewgong of course knows the brat pretty well mouths him off,to which he gets even more happy (all laugh) and tells a few other present there that both me and Dewgong wants to battle them(all laughs)...and you know this is a serious issue(all laugh) so i try to mitigate them,and recall the brat,but he comes out all the time and like laughs

at me and all(all laugh),finally he runs out of
patience(all laugh) and then i send him back...Ash
really i'm so glad that you weren't stricken that
day(all laugh) our gym would've been a real Circus
otherwise(all laugh)...and yes, Crawdaunt is trying
to cajole Muk to get his calws on my poor little
dolls (all laughs)...to them our rooms etc are big
pokeballs(all laugh)...so Crawdaunt is a master in
combinatorics(all laugh)...and Professor said just
supreme intelligence both those two and that
combinatorics test is an once only as well but the
cost for testing is huge(all laugh) and Feraligator
is cunning (all laughs uncontrollably)...no,Larry
said that if he was a human,he would've been
fondled by any corporates cause his planning is
just amusing cause they can do so few trick but
he's doing thise for like 12/13 years and everday
its new...and Feraligator plans intuitively (all laugh)
and then Crawdaunt logically proves the
uninsinuability(all brust into laughter)...then the
two goes out to fool around and no Trace said like

they actually plan a whole day what they are going to do(all laugh)... it's just amusing seeing them everyday and they can't breed and all that and they have their own types there but just doesn't bother about anything at all infact Ash,you've done more than enough for the future anyway(all smile),just that playfullness is so amusing and among all actually (all smile), except that brat Heracross(all laugh) whoose goal is to know about everyone's beaus(all brust into laughter) but Lil,how was the just born fearow(all brust into laughter)?"

Lillie(laugh) : "i'm so happy that fearow didn't stay with Muk more than half an hour cause if the fearow was mingled with for the full day,she would've got the whole Pokemon world into grave danger(all laugh)...no their psychic abilities are what makes them legends and if that is Muked with(all laugh),then you can understand what they'll become (all laugh)...Ash,Mist only sweetened tye Telplocus,and yes Golduck eas there(all laugh),he's been kept sane desperately

(all laugh) anyway,if you were there,was there a chance that our gym and lab never again needed to work(all smile)?"

Ash(smile) : "well,i met the greatest boss impersonally (all laugh) just asked him about Telplocus and the great boss says that yes Telplocus is extremely hard to manage which my flower sweetly did(all clap and smile) but said that they were more intelligent than Arceus that he managed according to his views and he actually regrets now that he had Mewtwo of all and only used the psychic dynamo for bad purposes and it would've been a phenomena if Mewtwo had been there on that final battle day cause he says Metwtwo would've realized by the end what Crawdauntogator was doing and actually would've tried her best to come with me cause that was something that she didn't know and so that joy was very enticing and all so according to the highest boss the thing is that at the end of the day no matter how playful all becomes they'll battle if

their master wants them to and the master will want them to if he wants to make a living and he'll definitely do so cause it's just like natural oil, unless one uses it he's being foolish so he said that my bunch is a fluke cause somehow they've caught a mood that their master is not at all serious about anything and thus they're only with me cause they themselves think that the master is a pokemon (all smile)... yeah the soulmate stuff (all smile) and said that my condition wouldn't have arrived had I not been born like this and thus opined that the whole thing is indeed a fluke in history. but he also said, actually the idea to realize that Pokemons are just a sport like football or that if this idea isn't firmly ingrained in legends can never be tamed cause to him legends are so intelligent that their premise to come with you must be oiled everyday otherwise they'll believe they're being bounded and would start troubles exactly what happened with Arceus, Arceus according to the greatest boss wasn't intelligent at

all,half grown brat(all laugh)...so he charged at Mewtwo all times cause to him except the greatest boss and a few others all were enemies and Metwtwo was taken aback but the highest boss said he made the mistake of taking Mewtwo for granted cause she was 6 long years with him and was very well tamed but of course that was done illegally,but anyway so Mewtwo somehow caught the mood of the highest boss and thus became ferocious cause to her she was being abused thus the two legends were incessantly at each others throats and then the greatest boss had to terminate them both cause the boss says his cruelty or like that had to be oiled in Mewtwo so that she stays in that mood but as Arceus came in and all,that same cruelty now Mewtwo felt she was being now subjected to the same cruelty and thus revolted,so to the highest boss having two legends was his downfall that on that fatefull day he didn't have either but again said that no they actually would've turned on him

understanding my bunch and all exactly what my beloved half grown fearow(all laugh) could've had he been with the greatest boss cause the brat that had fearow was a true brat(all laugh) so barely had any brain except abusing and thus no one idea about the master was ingrained in his own way to the fearow and that's exactly why the great boss is the greatest cause he could imbibe cruelty and keep it same for so many years and actually that being honest with himself that he was cruel(all smile)...that stuff is why he was so jovial once that self imbibed idea broke down and all but then my beloved Unovan friends were trying to better him and thus the mass havoc with 21 legendaries and what not,4 bufoons,total lunatic and trigger happy,21 battlers and support crew all psychic or grass set ups a few fires and all...those brats all they knew was to just go and bust and all my poor Goodra was trying to do was to get their

so finally professor hmm..(all laugh)..."

Gary(laugh) : "so the stricken boy and blossomed flower were forced out of teenage(all laugh)...so thus were doing unteenage thinks in public places(all laugh) but now deep nights were better used(all laugh), without actual Gengars outside of sweet sweet hearts(all laughs and claps)...so yeah,to them the marriage was of 20 years and it was no big deal(all laugh) and so the results..."

Ash(laugh) : "thanks for impersonal help

Professor(all burst into laughter),the next stage is longing-boy and

Gyarados-flower (all burst into laughter) but sadly there's a new pest of a rose in the horizon (all laugh),an unmarried sister brat(all burst into laughter)...her bike also gets Thunder-chaird,'um..

Sorry May,but lets to to the shop directly and buy a bike','um..no let it go,my home is in next city lets go there rather bro..um..can i call you big-bro','um..yeah,sure,sis' then we had an understanding since the first sight as well but this

is the polite sweet unbiased May(Brock laughs),next moment comes out the rosey one(all laughs),next day at Pettelsberg,then Max comes in,then we travel as soon as we start,'bro,do you have a girlfriend,have you proposed to her(all burst into laughter),what was the cost of the ring(all burst into laughter),get rid of that cap if you haven't proposed your girlfriend (all burst into laughter)'...she was like yeah go and talk and all but dating etc where personal mingling comes like that absolutely devilish,either Drew has to directly propose or he's not getting any sweet talks(all laugh)...and she as usual only Drew and that's all and Drew had to directly propose to even sweetfriend the Torchik(all laugh) don't know how tiring the final was(all laugh) anyway any other boys if had any interest in her after Drew was around were it was my or Brock's responsibility to drive them away in case they misbehaves(all laugh) but she'll play the sweet girl stuff (all laugh) cause Drew then will be beaten in his own game

and that was their game-jealousy(all laugh)..sweet girl stuff was after preliminary rounds(all laughs),my and Brock's pokemons and philosophical knowledge (all laugh) or a huge lecture on what she expects from a certain person,which is her mom's knowledge (all bursts into laughter) and of course her very own knowledge on gender bias(all burst into laughter)...that gender bias was her way to get rid of pests if they crossed the limit and we didn't do anything about it (all laugh)...it was ferocious stuff cause used to read actually to get prepared (all burst into laughter) cause Drew had to get through that filter and i think that was a more dangerous filter to my namecalled ones(all laugh)..cause on very first date it'll be show that your soul is eternally biased(all laughs)..yeah,this also included whether Drew can cook like Brock or not(all burst into laughter)..really little sis by all means(all smile)...they were after the Hoenn was soulmated in both ways and the full side-show

frontier(all laugh) was negotiations on proposal and cost of that(all laugh) and if we retorted would make a face and like get tearfull that her brothers were genderly biased(all brust into laughter) and so on,no wonder Drew had to take her with him in Jhoto(all brust into laughter)....but our sweet crook decides to give this meance to confession rights with costs(all brust into laughter) her 3 and half year food(all laugh)...and yeah,she was the only travel companion to whom i myself mentioned my sweet-bug's name(all laugh) others were told it was only me and Brock who travelled together(all laugh),so this sister-pest hears the name Misty and goes like wow,5 years how many proposals cost wise(all brust into laughter), whether you've proposed on mid day od mid afternoon (all laugh) and so on...i tell her look you're just getting started, concentrate on Torchik,that would become gender bias(all laugh) especially cause her 'lil sweet bro never liked her attitude cause she was making deals at his

cost(all laugh),this young bro was all over Brock(Brock laughs) cause he was the encyclopedia on any legendary pokemons and then later to my flower cause my flower was the ideal youngest sibling-flower(all burst into laughter)...anyhow just to end that this pester-sister was even more dangerous in after battle parties where she had to be allowed via his dad's position,which by the way my flower used at Kanto but i desisted myself cause she was too bug-tempered then(all laughs) but mostly because dumped male brats were always there(all laugh),so anyway sis would threaten bro that if any boy was asking her to dance he has to be Thunder-chaired(all laugh) though she'll herself talk with all people in the world(laugh) this is a double-edged ploy to get her jealousy stories richer and get my sights off other girls(all clap and laugh) and if i don't listen then Cerulian Gym will be informed (all laugh) with the fact that i was biased(all laugh) and this was way before when i

didn't formally confess(all laugh)...May obviously knew quite a lot by the time she saw my flower first and the first thing she says after formalities 'aw...heard so much about you,bro is so fond of you'(all burst into laughter) then was trying her hands at proposals(all laugh) which was somehow managed...but still the biggest trouble was the crook cause crook joins us a bit later in Hoenn and first thing he says 'yeah,Ash,Misty told to tell you this(all laugh),this is the confirmation of proposal (all laugh) so 'aww,this is why so much talk, what's her ring size'(all burst into laughter)...then i say 'give it a rest, she's my friend only' this statement to the Crook is most hilarious (all laugh) he later goes putting a wise hand on my shoulder and looking at the sky(all laugh) i still remember 'Ash,all friend earthly, girlfriend heavenly'(all burst into laughter)... anyway,the Crook was worst at Sinnoh(Brock laughs)...but that much later,so crook you may finish cooking" Brock(laugh) : "right,so this was longing-boy(all

laugh),before reunion it was general stuff,'hey Misty,come here'(all laugh),but since he saw Gyarados with his flower it was outrageous stuff(all laugh)..but this is best explained by the Gyarados-flower"

Misty(laugh) : "right my Cerulian Gyarados(all laugh) as usual minutely observes me too closely (all laugh) cause it was 9 months too soon(all laugh) and he didn't quite get my personality change(Ash and Misty laugh at each other)...this is a huge topic but i'll say just a bit later,just the hint is that why wasn't he informed during Unova when his phone was turned off perpetually(all laugh),anyway,so my beau observes me and sees the responsible(both laugh)..um,sorry but this was the exact gateway to my hellrounds(all laugh)...and also why Dase, Cerulian,the wole world were chided left and right(all laugh)..so sees my new self,of course totally becomes a pet (all laugh) and starts Gyaradosi g(all laugh),his knowledge on Gyarados actually saved Telplocus

first cause he told me how to get a good hold on the Gyarados rage(all laugh)..yeah,double-edged(all laugh)...anyway,but from this point on,the moment he sees me holds me hand too sweetly but this was his real mastery that the shake hand period was stretched just that bit enough to tell me his longing and this happened every time in hugs or patting or the hand on the shoulder,just enough to tell me what he was thinking,and well i was more responsible then(all laugh) so i couldn't show it but he was making me too Gyaradosed up inside(all laugh) and when alone that's standing or sitting just that bit close(all laugh and clap)...it was his longing presented with his natural character but i thank Go that my bee(all laugh) then hadn't explicitly beed the Kalos Wisdom(all laugh)...otherwise Gyarados' anatomy would've been eloquently compared with mine(all laugh)...and speaking of anatomy,my sweet bug many times told me in his henious eloquent self that if i wanted he'll help me to

understand that how he himself was made of you-know-what(all laugh),this is his eloquent filter of hellrounds and this was just about 10 minutes into our first night(all burst into laughter)anyway(laugh,all laughs)...yeah, talking about the sis,she has eventually picked up bro's ways and has used the anatomy to slaughter obviously Drew himself in certain moments(all burst into laughter)...to which Drew told us that he couldn't stop laughing the whole week(all laugh)...anyway,so my sweet Gyarados Gyaradoses then and after that for 7 years(all laugh)...but later it was 'Mist,Mist! you're so sweet(all laugh) just like your Gyarados (all laugh uncontrollably)' but that first greeting i told him to change in phones and all(all laugh),'um..why would they mind(all laugh uncontrollably),they aren't you(all burst into laughter)'...then i just flew the scene of logical arguments(all laugh),so this goes on and then the finals was crooked(all laugh)"

Brock(laugh) : " 'good match,good match,but hey Brock,beside May,that girl cheering me(all laugh),are you sure Misty isn't here(all laugh)',that was the common thing then he finally wins and we're from his bench can enter the battlefield where Snorlax was knackered but still wanted to fondle us(all laugh) and he was inside the pool where he would bodyslam us to express his glee(all laugh)...anyway, longing-boy of course tendered Snorlax and then the opposition who also was a female brat but fortunately married with a child(all burst into laughter)...so that went all right,and here's a note that if female brats are married with a child,the master would behave with them in those days as if they are his mom or big sister as well(all smile)...but the moment they would introduce any unmarried younger notMisty(all burst into laughter), that's it,thanks 'mam but i've got an urgent call to make(all laugh)'...later told us,'very cute that girl,Brock,very cute.great skill.warm personally.great girl

really.isn't Misty so Brock ?(all burst into laughter)'...anyway he'd break my head off learning how i would counter Gyarados in Cerulean with Zubat(all burst into laughter) and so on,and during phonecalls the sis was threatened off as the roses will be personally taken care of otherwise (all laugh) and i was threatened that unless i behave(all burst into laughter),he'll set Max upon me at midnight (all laughs uncontrollably) which means i'll have to fondle him to sleep(all laugh)...anyway,one thing the boy ever did was Pokemons and Misty was exactly same to him(all laugh) so there were no difference in dating and battling (all laugh)...anyway,that final celebration there and then all finally with his Misty where my Viol flower was present so,the cooking is bettered(all laugh)" Violet(laugh) : " as soon as he passed got into the semifinals,whole gym was in red alert (all laugh)...none can disturb her cause she was preparing strategies (all laugh) and all and during

the match all sorts of emotions were going on(all laugh) and especially if the opponent was of her gender then that is an in-born mistake(all burst into laughter),so they were sworned in front of us and all(all laugh) but the screen needed a good wiping (all laugh) later and after the final the marks were permanent (all laugh) cause she had to go somewhere afterwards and thus was prepared (all laugh),where he went 2 hours later(all laugh),then they said all things are already over(all burst into laughter),'yay,thanks my Ash is Hoenn Champion,going back'(all burst into laughter)...by the way the screen was damaged in front of me(all laugh uncontrollably),when i tried to misbehave (all laugh) she was in tears that how could i put a dagger piercing my own sister' heart,which was too sweetened then (all burst into laughter) and that too by my own hands(all laugh)...and later Dase and Lil got the same treatment proving also that before this Hoenn Championship never existed(all laugh)...then

finally phonecall,first she again tries to damage the screen (all laugh) and then calms down and starts their gazing without a single meaningful word(all laugh)...then the champion boy says,'um..sorry 'mam but 'um.. she looks very umm...too nice today..i mean nice,nice'(all burst into laughter)..and then they go all over each other and i felt more ashamed (all burst into laughter) and wanted to leave but then to my utter confusion the boy says 'no,'mam it's all right if you want to leave but you may stay,we're just too happy,too happy(all burst into laughter)'...to which my sis again has tears in her eyes that means i don't like her non-formal beau(all laugh) so i was leaving (all burst into laughter)... that's 22nd year of marriage (all laugh and clap)..but what happened during Hoenn and the responsibility mask(all laugh),whose best suited to interpret the mask Dase?"

Daisy(laugh) : "seeing the sketch through colour and shade(all burst into laughter)/catching the fox

through thick and haze(all burst into
laughter)/rowing the Trace so why to gaze(all
burst into laughter)/lets then jackle up(all burst
into laughter)

cause he was in relationship with Misty(all
laugh)...yeah,Mistt wants this,Misty likes
this,Misty does this,Misty thinks this,if Misty was
here she would've done this,Misty talks like
this,looks at me like this,looks at anything else like
this then all their varieties,these things makes her
angry..so sweet when angry,anyway,(all
laugh)..Ash is an encyclopedia absolute on
Misty,knows everything about her to most minute
details..her eyes are bit emotional when she talks
with me(all bursts into laughter)..she goes to
sleep at these times,if she eats this and this she
feels like this and this,if she's gym battling she will
be doing thinking all..now we know how he did all
this vividly(all laugh)..so it was

just...Misty..Misty..Misty...Brock,are you sure Misty hasn't been left 5 minutes ago(all bursts into laughter)...and mostly I remembered after the famous sinnoh victory went to the formal party first then the general celebration we all went,in general celebration absolutely loaths it cause female brats were trying to dance(all laugh).... returns from formal parties saying like 'huh!thinks they're cute,Misty is cuteness itself(all burst into laughter) the rest is all whatever (all laugh),if now the whatever will be defined first to the subjects(all laugh uncontrollably)...then goes like 'no,the food wasn't bad but Misty wouldn't have like it(all laugh) also which people Misty would like,whom not, decoration whatever caught his eyes had to my Mistyfyied(all clap and laugh) only then they are cogitated upon

and Dawn gets a little surprised over being so overprotective in these and May was like if you speak with another girl,i'm telling Misty(all burst

into laughter),Dawn is if you don't speak with another girl i'll tell Misty(all burst into laughter)...so Dawn says 'why bother you think that this is infidelity (all laugh) but this is rude to people,then Dawn makes the biggest mistake of her life saying Misty speaks with other guys(all burst into laughter) cause she's a gym leader and Dawn herself went there with her cousin brother and that is it(all burst into laughter)

yeah it's (spell)M-I-S-T-Y,Misty(all laugh),now i dare you namecalled brat(all burst into laughter)

.....

(Night,Ash and Misty in their room)

Misty (hugging Ash) : "Ash,so much emotion,but i feel so happy just to have you there..the best show ever"

Ash(hugging Misty) : "well Mist,you are best represented, absoluty as to who your are this is the best thing for me,you and us..overall the content was of course we know(both laughs).. but yeah it was good overall good perfection good, beautiful show beautiful show,beautiful..(both laughs)..."
